Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst

Hamid Mavani

Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst:

Transit States Abdulhadi Khalaf, Omar AlShehabi, Adam Hanieh, 2014-11-20 There are vast swathes of people in economic migration across the Gulf states today In total Saudi Arabia Kuwait Bahrain United Arab Emirates Oman and Qatar form the largest destination for labour migration in the global South This book studies the impact of this mass migration and its effect on citizenship and workers rights Transit States considers how the transitory labour power these workers provide creates an extraordinary development boom that impacts neighbouring countries The majority of the working population is therefore composed of migrant workers with no citizenship rights The Gulf takes a central place in growing debates around migration and labour in the global economy Transit States confronts the precarious working conditions of migrants in an accessible yet in depth manner

Transnational Shia Politics Laurence Louër, 2008 This timely book illuminates the historical origins and present situation of militant Shia transnational networks by focusing on three key countries in the Gulf Kuwait Bahrain and Saudi Arabia whose Shia Islamic groups are the offspring of Iraqi movements The reshaping of the areas geopolitics after the Gulf War and the fall of Saddam Hussein in April 2003 have had a profound impact on transnational Shiite networks pushing them to focus on national issues in the context of new political opportunities

Shiism and Politics in the Middle East Laurence Louer, 2021-12-01 There exists a tendency to explain away much of Shiite politics in the Middle East as inextricably linked to Iranian foreign policy Laurence Louer challenges this view arguing that in the end local political imperatives have been the crucial factor determining the direction of Shiite states in the Middle East

Sunnis and Shi'a Laurence Louër, 2020-02-04 This book is a historical and sociological reading of the relation between Sunnis and Shias from the inception of the dispute for Mohammed's succession until today It is divided in two parts The first part offers a comprehensive history of the divide It shows how Shiism was during much of the Middle Ages the main contestation ideology of the caliphate but also how Sunnism and Shiism converged as Shiism progressively ceased to be an esoteric and politically radical doctrine to espouse a number of tenets of mainstream Islam It shows the political dynamics that runs beneath theological debates and in particular how the Sunni Shia conflict was revived when the Safavids made Shiism an official state religion on the model of Sunnism On the contrary when faced with the colonial challenge Sunni and Shia reformists closed ranks and collaborated The second part of the book offers a socio historical account of some national contexts in which the Sunni Shia divide shapes the society and the politics Iraq Bahrain Pakistan Saudi Arabia Iran Yemen and Lebanon It shows that in each of these countries the sectarian divide is shaped by very specific historical and social circumstances Sunni and Shia identities are associated with ethnic regional statutory and economic identities In most cases the relations between Sunnis and Shias are shaped by typical majority minority dynamics They can lead to conflict but dynamics of emulation often emerges from conflicts which are particularly obvious when Sunni and Shia Islamic movements compete

Guardians of Shi'ism Elvire Corboz, 2016-03-31 Based on a political sociology of two families of religious scholars al Hakim and al Khu i

Elvire Corboz explains the internal workings of transnational leadership patterns in Shi'ism for the first time *Sectarian Politics in the Gulf* Frederic M. Wehrey, 2013-12-24 Beginning with the 2003 invasion of Iraq and concluding with the Arab uprisings of 2011 Frederic Wehrey investigates the Shi'a-Sunni divide now dominating the Persian Gulf's political landscape Focusing on three states affected most by sectarian tensions Bahrain Saudi Arabia and Kuwait Wehrey identifies the factors that have exacerbated or tempered sectarianism including domestic political institutions the media clerical establishments and the contagion effect of external events such as the Iraq civil war and the Arab uprisings In addition to his analysis Wehrey builds a historical narrative of Shi'a activism in the Arab Gulf since 2003 linking regional events to the development of local Shi'a strategies and attitudes toward citizenship political reform and transnational identity He finds that while the Gulf Shi'a were inspired by their coreligionists in Iraq Iran and Lebanon they ultimately pursued greater rights through a non-sectarian nationalist approach He also discovers that sectarianism in the Gulf has largely been the product of the institutional weaknesses of Gulf states leading to excessive alarm by entrenched Sunni elites and calculated attempts by regimes to discredit Shi'a political actors as proxies for Iran Iraq or Lebanese Hizballah Wehrey conducts interviews with nearly every major Shi'a leader opinion shaper and activist in the Gulf Arab states as well as prominent Sunni voices and consults diverse Arabic language sources

Sectarian Politics in the Persian Gulf Lawrence G. Potter, 2013 Sunni-Shia relations in the GCC countries are analysed by the contributors in the wake of recent protests in Bahrain Saudi Arabia and elsewhere This book examines sectarian politics in the Persian Gulf and considers the origins and consequences of sectarianism broadly construed as it affects ethnic tribal and religious groups

Religious Authority and Political Thought in Twelver Shi'ism Hamid Mavani, 2013-06-26 Ranging from the time of the infallible Imams to the contemporary era this book provides a comprehensive overview of Shi'i religious and political authority focusing on Iran and Lebanon without limiting the discourse to Khomeini's version of an Islamic State Utilising untapped Arabic and Persian sources Hamid Mavani provides a detailed nuanced and diverse theoretical discussion on the doctrine of leadership Imamate in Shi'ism from traditional theological philosophical and mystical perspectives This theoretical discussion becomes the foundation for an analysis of the transmission of the Twelfth Imam's religious and political authority vis-à-vis the jurists during his Greater Occultation Bringing the often overlooked diversity within the Shi'i tradition into sharp focus Religious Authority and Political Thought in Twelver Shi'ism discusses what constitutes an Islamic state if there is such a notion as an Islamic state Hamid Mavani further explores the possibility of creating a space for secularity facilitating a separation between religion and state and ensuring equal rights for all This book argues that such a development is only possible if there is a rehabilitation of ijtihad If this were to materialise modern religious social economic political and cultural challenges could be addressed more successfully This book will be of use to scholars and students with interests ranging from Politics to Religion to Middle East Studies

Reaching for Power Yitzhak Nakash, 2006 As the world focuses on the conflict in Iraq the most important political players

in that country today are not the Sunni insurgents. Instead, they are Iraq's Shi'i majority, part of the Middle East's ninety million Shi'i Muslims who hold the key to the future of the region and the relations between Muslim and Western societies. So contends Yitzhak Nakash, one of the world's foremost experts on Shi'ism. With his characteristic verve and style, Nakash traces the role of the Shi'is in the struggle that is raging today among Muslims for the soul of Islam. He shows that, in contrast to the growing militancy among Sunni groups since the 1990s, Shi'is have shifted their focus from confrontation to accommodation with the West. Constituting sixty percent of the population of Iraq, they stand squarely at the center of the U.S. government's attempt to remake the Middle East and bring democracy to the region. This groundbreaking book addresses the crucial importance of Shi'is to the U.S. endeavor. Yet it also alerts readers to the strong nationalist sentiments of Shi'is, underscoring the difficult challenge that the United States faces in attempting to impose a new order in the Middle East. The book provides a comprehensive historical perspective on Shi'ism, beginning with the emergence of the movement during the seventh century, continuing through its rise as a political force since the Iranian Islamic Revolution of 1978-79 and leading up to the Iraqi elections of January 2005. Drawing extensively on Arabic sources, this comparative study highlights the reciprocal influences shaping the political development of Shi'is in Iraq, Saudi Arabia, Bahrain, and Lebanon, as well as the impact of the revival of Shi'ism on the larger Arab world. The narrative concludes with an assessment of the risks and possibilities arising from the assertion of Shi'i power in Iraq and from America's attempt to play an increasingly forceful role in the Middle East. A landmark book and a work of remarkable scholarship, *Reaching for Power* illuminates the Shi'a resurgence amid the shifting geopolitics of the Middle East.

[Beyond Sunni and Shia](#) Frederic Wehrey, 2018-02-01. This collection seeks to advance our understanding of intra-Islamic identity conflict during a period of upheaval in the Middle East. Instead of treating distinctions between and within Sunni and Shia Islam as primordial and immutable, it examines how political economy, geopolitics, domestic governance, social media, non- and sub-state groups, and clerical elites have affected the transformation and diffusion of sectarian identities. Particular attention is paid to how conflicts over distribution of political and economic power have taken on a sectarian quality and how a variety of actors have instrumentalized sectarianism. The volume, covering Syria, Iraq, Lebanon, Saudi Arabia, and the Gulf, Iran, and Egypt, includes contributors from a broad array of disciplines, including political science, history, sociology, and Islamic studies. *Beyond Sunni and Shia* draws on extensive fieldwork and primary sources to offer insights that are empirically rich and theoretically grounded but also accessible for policy audiences and the informed public.

Decoding **Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst**: Revealing the Captivating Potential of Verbal Expression

Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide

range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst is one of the best book in our library for free trial. We provide copy of Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst. Where to download Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst online for free? Are you looking for Transnational Shia Politics Religious And Political Networks In The Gulf Columbiahurst PDF? This is definitely going to save you time and cash in something you should think about.
