Transparencies Of Eternity Sapientia:

An Unpromising Hope Thomas R. Gaulke, 2021-09-21 Written in a theopoetic key this book challenges Christian reliance on the motif of promise especially where promise is regarded as a prerequisite for the experience of hope It pursues instead an unpromising hope available to the agnostic or belief fluid members and leaders of faith communities The book rejects any theological judgement about doubt and hopelessness being sinful It also rejects any hope which is grounded in a sense of Christian supremacy Chapter 1 focuses on Ernst Bloch s antifascist concept of utopian surplus putting Bloch in conversation with queer theorist Jos Esteban Muñoz and womanist theologian M Shawn Copeland Chapter 2 explores the saudadic and theopoetic hope of Rubem Alves Chapter 3 turns to the womanist theologies of Delores Williams Emilie Townes and A Elaine Brown Crawford Finally chapter 4 engages the post colonial eschatology of Victor Westhelle framing hope as nearby in space rather than nearby in time Each chapter offers an unpromising hope that may be tapped into by those who wish to affirm belief fluidity in their own communities and by those who wish to speak of hope honestly whether or not at any given moment they believe in God or in the promises of a god Everyday Armageddons Matthew Holmes, Thomas R.

Gaulke, 2023-11-21 Drawing from two decades as a hospice chaplain nurses aide and emergency medical technician the Rev Matthew J Holmes invites us to peer into the often occulted dimensions of life s endings From bedsores to isolation impacted bowels to the nursing home economy from neglect to deep desperate love modern death s characteristics are navigated here with insight honesty depth and clarity Following the sense of horror and humor evoked in each narrative are theopoetic and theological reflections from the Rev Thomas R Gaulke PhD Tom brings a playfulness to the conversation engaging issues of hope meaningless disenchantment sacramentology grace and religiosity in relation to modern death and postmodern longing Every day worlds end Armageddon is not a battle far removed into the future It is taking place right now in the hospital at the nursing home across the street and inside our very bodies The world ends in ways big and small It ends in pain and in love It ends with tears and with relief The ends of worlds are often grotesque final battles the bloodiest This book is an opening into those endings and an invitation into the search for whatever meaning and whatever of God might lie therein

A New Introduction to the Synoptic Gospels Roland Meynet, 2010 Meynet offers a new perspective on the study of the Synoptic Gospels adding further insights within the growing body of modern research into the meanings of the Gospels of Matthew Mark and Luke He studies the composition of the Gospels as they were written and combines critical analysis with the evangelists own intentions Transparencies of Eternity Rubem A. Alves, 2010 As a master of the word Rubem Alves relates events and experiences in life where God religiosity love beauty and the meaning of life are always present They are his Transparencies of eternity a collection of poetic and spiritual chronicles in which the author draws transparent and multicolor stained glass windows using as raw material the existence and the multiple faces of God sometimes God is an artist who gathers the shards of my stained glass smashed by random stoning and places them again in the cathedral s

window so that the sun's rays may shine through them again sometimes God is a great huge Emptiness that encompasses the whole beauty of the universe Even more God is a parent who doesn't know how to add God is not in the business of accounting God doesn't add up either virtue or sins This is how love is It has no why's It is reasonless Love for love's sake No accounting of good or of evil With such a God the universe becomes more humble And fears vanish In this book are collected texts that masterfully comprise both a profound knowledge and the major existential questions of humankind The texts flow with a simplicity of rare beauty and the result could not be better spirituality is presented through a new lens attracting instigating and enchanting readers who want to broaden their horizons
