Trauma Bond An Inquiry Into The Nature Of Evil:

Trauma Bond Lawrence Swaim, 2013-03-29 If the world seems more violent these days it is not your imagination there is far too much aggression coercion and deceit And powerful institutions such as corporations and governments are getting better at hiding and rationalizing the harm they do But it doesn't have to be that way Trauma Bond An Inquiry into the Nature of Evil shows how breaking free of the cycle of aggression and violence starts with you and can start today When aggression becomes evil it turns into an extraordinarily dangerous and malignant force that threatens to destroy the planet This fascinating book demonstrates at length how aggression and evil replicate themselves in the world and how we can break free from the toxic cycle of psychological and physical violence We can begin this process today in order to make this world safer both for ourselves and for our children

Death of Judeo-Christianity Lawrence Swaim, 2012-07-27 The Israeli Palestinian conflict is not mainly about politics nor religion nor even geopolitics It is about pathology The traumas of the 20th century have driven millions of intelligent capable people into active psychological pathologies which they experience as ideological realities Some of the cult like groups associated with Christian evangelicals and the national religious settlers in Israel will settle for nothing less than an apocalyptic religious war to punish the world for allowing the Holocaust to happen
