Tre Ore The Seven Last Words Of Christ:

Tre Ore Matt Retz, 2021-03-16 From the composer *The Tre Ore* or the Three Hour Agony This tradition of the Church is to give seven homilies one on each of the Seven Last Words of Christ They are typically presented over the 3 hours between noon and 3 o'clock on Good Friday the time Jesus hung on the cross When I was first introduced to this in 2017 I was so moved that I composed the seven movements of this acapella piece It's completely different from anything I have written in over 30 years

The Crisis of Religious Liberty Stephen M. Krason, 2014-12-23 In *The Crisis of Religious Liberty Reflections from Law History and Catholic Social Thought* contributors consider a series of significant challenges to the freedom of religious conscience and expression in the United States today Such challenges include the mandate from the U.S. Department of Health and Human Services concerning contraceptive sterilization and abortifacient coverage in health insurance plans the question of health care institutions requiring medical personnel to participate in morally objectionable procedures contrary to their religious beliefs legal liability for individuals and businesses refusing on religious grounds to provide services for same sex marriages the prohibition on students from engaging in religious expression in public schools the use of zoning laws to block Bible studies in private homes and a variety of other issues that have surfaced in recent years with respect to religious freedom While some argues that religious liberty extends no further than the freedom to worship contributors suggest otherwise noting that the exercise of religious liberty is greater than a highly restrictive definition of the notion of worship *The Crisis of Religious Liberty* comprises eight chapters and an afterword that explore the nature and basis of religious freedom in terms of Catholic social thought They cover such topics as the Catholic Church's teachings from the Vatican II's *Dignatis Humanae* Declaration on Religious Liberty the decline of a historic rapprochement among different religious perspectives in the United States in the face of an increasingly aggressive secularism perspectives on religious liberty from the founding of America and how the religious liberty situation in the U.S. compares with the rest of the world *The Crisis of Religious Liberty Reflections from Law History and Catholic Social Thought* should appeal to a variety of professionals as well as a scholars lawyers and clergy health care professionals and Catholic business owners and researchers in the fields of religion law American politics and sociology
