Ginsberg, 2011-07-12 This professional development program provides practical steps to strengthen student motivation and learning through research based approaches to enhance instructional improvement Powerful Professional Development Diane Yendol-Hoppey, Nancy Fichtman Dana, 2010-02-09 I love love love this book This smorgasbord of professional development strategies maximizes time and on site expertise From the perspective of educators hungry for cost effective proven ways to promote ongoing job embedded professional learning this is an la carte menu for building healthy professional development meals based on specific needs and available resources Gail Ritchie Instructional Coach Fairfax County Public Schools VA This book offers a menu of practical integrated research based tools and processes that engage and empower teachers and administrators in co constructing a powerful form of job embedded professional development that is relevant focused and organic and allows schools to transform themselves into a self sustaining learning organization Pedro R Berm dez Professional Development Support Ready Schools Miami FL Achieve effective on site teacher development without breaking the budget This essential guide to job embedded staff development helps schools and districts move away from reliance on outside expertise instead drawing on and developing the experience and skills of their own faculty The authors provide a complete toolbox of school based professional development PD strategies with recommendations on which tools to use for different times and settings guidelines for implementation and extended examples of each tool in action for a full spectrum of proven cost effective PD models including Book study and lesson study Action research and professional learning communities Coaching and co teaching Webinars podcasts Open Space Technology online communities and much more **Why Can't We Get It Right?** Marsha Speck, Caroll Knipe, 2005-02-01 How can we use professional development to provide the best teaching and learning opportunities for all students Teachers who know their content and strategies can open a virtual toolbox and take out what they need to help all students become successful This revised and updated edition explains how educational leaders can design deliver and evaluate collaborative standards based professional development and contains Essential questions about high quality professional development Information on creating the culture for a learning community Conditions and processes for professional development Suggestions on designing your own model Tools for evaluating and rethinking professional development and learning Strategies for deepening a leader s impact on a standards based system **Evolving Learner** Lainie Rowell, Kristy Andre, Lauren Steinmann, 2020-02-19 Learn from Kids Peers and the World to Transform Professional Learning What can kids teach us about educational practices It turns out plenty PD is evolving into professional learning PL where personalized experiences focus on goals and outcomes rather than seat time In Evolving Learner successful PL is framed through three critical sources learning from kids from peers and from the world Woven throughout the book are tangible connections to cycles of inquiry where a harmonious balance is the ultimate goal when students are engaged in inquiry for deeper learning and teachers are

engaged in a parallel process to improve their practice The authors unique framework shifts away from factory model PD and transforms it into experiences tailored to kids and adult learners specific needs Clear strategies for accomplishing PL are presented through A framework where both students and teachers are active agents of learning Cycles of inquiry to empower students to become the owners of learning Techniques to make thinking visible for teachers and students Cutting edge coverage of applying technology to professional learning including the use of social media gamification and digital badges The time is right to reclaim ownership of your professional learning Evolving Learner is an essential guide for embarking on this journey

Professional Development Plus Michele Hudak,2013 The purpose of professional development is to enhance educator practices so that students may achieve at high levels Too often professional development tends to be too broad general or unrelated to problems of practice that teachers face in their own classrooms This action research project builds upon the scholarly research that recognizes the need for professional development to be sustained connected to teachers own contexts focused on specific subject matter collaborative and reflective The goal of this action research study was to facilitate a culture of continuous improvement in teaching and learning by utilizing a model of professional development that challenges teachers to question their practices utilize research to support their instruction design an inquiry project that supports a change in practice and examine changes in student growth Results suggest that although teachers recognize the complexities that surround professional development they found that this professional development model focused on their needs as professionals was sustained over time and was supported by a variety of professional influences As a result of the model implemented teachers reported shifts in their instructional practices and student growth related to personal inquiry projects
