Treasured Recipes Cooking Through Years:

Treasured Recipes Chris Munda, 2015-11-26 Here is a cookbook which besides being a collection treasured recipes also includes little snippets of the author's special memories about wonderful people places and times Some of these recipes came from a grandmother for example the recipe for apple butter Some came from her mother or mother in law and some came from her children all now grown Cooking for family and friends may not be an earth shattering activity But in its own way it does change the world from hungry and hopeful to full and satisfied And how to make that change we hope you'll agree is something worth learning more about As the author explains Over many years I've tried lots of different recipes Some of them were wonderful and my family and friends loved them On the other hand some were total flops did not taste good and were quickly discarded It has taken a lot of years to develop the confidence I needed to really enjoy cooking but time and practice have helped my skills grow In this little book of my most treasured recipes I believe you will find that most of them are very easy and fairly quick to prepare A couple of them are more difficult and time consuming but those are the ones that will test your cooking abilities and help you develop your skills If you do have failures don't get discouraged Just try again until you have exactly the dish you want Enjoy mealtime with your family and friends because a meal together is much more satisfying
