Love and Marriage in Globalizing China Wang Pan,2014-11-13 As China globalizes the number of marriages between Chinese people and foreigners is increasing These Chinese foreign marriages have profound implications for China's cultural identity This book based on extensive original research outlines the different types of Chinese foreign marriage and divorce and the changing scale and changing patterns of such marriages and divorces and examines how such marriages and divorces are portrayed in different kinds of media It shows how those types of Chinese foreign marriage where Chinese patriotism and Chinese values are preserved are depicted favourably whereas other kinds of Chinese foreign marriage especially those where Chinese women marry foreign nationals are disapproved of male foreign nationals being seen as having a propensity to infidelity deception violence and taking advantage of Chinese women The book contrasts the portrayal of Chinese foreign marriage with the reality and with the depiction of Chinese Chinese marriage where many of the same problems apply Overall the book sheds much light on changing social processes and on current imaginings of China's place in the world Kiplinger's Personal Finance Magazine ,2010
