Writer Thomas Larson, 2019-03-29 Today the surprisingly elastic form of the memoir embraces subjects that include dying illness loss relationships and self awareness Writing to reveal the inner self the pilgrimage into one's spiritual and or religious nature is a primary calling Contemporary memoirists are exploring this field with innovative storytelling rigorous craft and new styles of confessional authorship Now Thomas Larson brings his expertise as a critic reader and teacher to the boldly evolving and improvisatory world of spiritual literature In his book length essay Spirituality and the Writer Larson surveys the literary insights of authors old and new who have shaped religious autobiography and spiritual memoir from Augustine to Thomas Merton from Peter Matthiessen to Cheryl Strayed He holds them to an exacting standard they must render transcendent experience in the writing itself Only when the writer's craft prevails can the fleeting and profound personal truths of the spirit be captured Like its predecessor Larson's The Memoir and the Memoirist Spirituality and the Writer will find a home in writing classrooms and book groups and be a resource for students teachers and writers who seek guidance with exploring their spiritual lives Saints As They Really Are Michael Plekon, 2012-05-15 In his new book Saints

As They Really Are priest and scholar Michael Plekon traces the spiritual journeys of several American Christians using their memoirs and other writings These saints in the making show all their doubts and imperfections as they reflect on their search for God and their efforts to lead holy lives They are gifted yet ordinary women and men trying to follow Christ within their flawed and broken humanity saints as they really are as Dorothy Day put it Saints As They Really Are is the third book in Plekon's critically acclaimed series on saints and holiness in our time He draws on the autobiographical work of Dorothy Day Peter Berger Thomas Merton Kathleen Norris and Barbara Brown Taylor among others as well as from his own experiences

as a Carmelite seminarian and brother Plekon shares the power of these individuals stories as they unfold The book offers a strong argument that our failings and weaknesses are not disqualifications to holiness Plekon further confronts the institutional church and its relationship to individuals seeking God focusing on some of the challenges to this search the destructive potential of religion and religious institutions as well as our personal tendencies to extremism overwork pious obsessions and legalism But he also underscores the healing qualities of faith and the spiritual life Plekon s insights will help readers better understand their own spiritual pilgrimages as they learn how others have dealt with the trials and joys of their path to everyday holiness
