Some people without doubt are born with a deep instinct for carrying a cane some consciously acquire the habit of carrying a cane and some find themselves in a position where the matter of carrying a cane is thrust upon them Canes are carried in all parts of the world and have been carried or that which was the forefather of them has been carried since human history began Indeed a very fair account of mankind might be made by writing the story of its canes And nothing that would readily occur to mind would more eloquently express a civilisation than its evident attitude toward canes **WALKING-STICK PAPERS**
