**Walking the Small Group Tightrope** Bill Donahue, Russ Robinson, 2003 According to Donahue and Robinson small groups cannot thrive by focusing on either end of the continuum they must walk the center holding both ends in healthy tension and charting a course that develops authentic community and facilitates life change *Walking the Small Group Tightrope* Bill Donahue, Russ G. Robinson, 2009-05-26 Six Ways to Improve Your Balance as a Group Leader Leading a successful small group is like walking a tightrope You traverse a taut exciting line balancing the dynamic tensions characteristic of every group Drawing from the concept of polarity management Bill Donahue and Russ Robinson help you understand and deal with six dynamic areas every group leader must manage in order to create genuine transforming small group community Your group is in for unprecedented connection and growth when you harness the interplay between Truth and Life Care and Discipleship Friendship and Accountability Kindness and Confrontation Task and People Openness and Intimacy Effective life giving small groups learn how to embrace both ends of each continuum Walking the Small Group Tightrope will strengthen your sense of balance help you gain confidence as a leader and show you how to release the untapped creative and relational energy in your group *Coaching Life-Changing Small Group Leaders* Bill Donahue, Greg Bowman, 2009-05-26 Small groups transform churches and lives Small group leaders often feel the weight of shepherding their members But who shepherds the shepherd And what are the best ways to provide that support and guidance These are the questions answered in Coaching Life Changing Small Group Leaders When you're called to coach a small group leader in your church your mind may be filled with questions Am I godly enough What do I have to offer How do I begin Although the challenge seems immense this handbook breaks down the work into reassuring and achievable steps Originally self published by Willow Creek Community Church this expanded and improved edition offers field tested and biblically supported advice on such topics as modeling a surrendered life to those you shepherd gaining the tools and wisdom you need for coaching helping leaders grow spiritually nurturing the spiritual development and support of leaders For those who want to coach with excellence and truly help small group leaders thrive this go to guide offers practical answers and inspiring examples You'll find both challenge and promise in these pages as you learn to carry forth your God given calling with confidence We ask small group leaders to come alongside their group members but often no one comes alongside them This is a great tool from two people who have done exactly that for a long time Small group leaders everywhere will benefit from this kind of coaching

ReGroup Henry Cloud, Bill Donahue, John Townsend, 2007 In this revolutionary new curriculum Henry Cloud Bill Donahue and John Townsend establish a whole new training paradigm one that equips leaders and groups simultaneously and gives them everything they need to start and sustain a life changing group All it requires is a small group and a DVD player Four sixty minute sessions train leaders and group members in the foundational values and practices of becoming a life changing community These sixty minute sessions are the foundations of small groups that include teaching by the authors creative

segments and activities and discussion time The group has the chance to review and learn new group life techniques during the year with Thirteen five minute coaching segments on topics such as active listening personal sharing giving and receiving feedback prayer calling out the best in others and more Each session includes a mix of three elements Teaching by the authors Creative segments such as modeling dramas person on the street interviews personal stories testimonies creative multimedia etc Small group activities and processing discussion time The four sessions include Session 1 provides a foundational experience that helps group members get excited about the adventure and life changing power of small group life Exercises and guided discussions create an initial sense of connection safety and most of all fun Session 2 focuses on introducing values ground rules and logistical issues Relationships are deepened through the group s assessment and discussion of the values most important to them while exercises facilitate group ownership of these issues Session 3 unpacks each of the five key values through in depth teaching and practical examples Group members learn that all are responsible for implementing the five values in the life of the group and they practice applying two of the values during the session Be real and accept one another Session 4 transitions the group to running on its own Exercises help the group clarify what their focus will be and what they want to do in their next meeting the first meeting without the DVD curriculum This session also provides an inspiring wrap up for the course that casts vision for what the group can become if it lives out its values The Life Changing Power of Group Life DVD and Participants Guide are available separately Relational Discipleship Brian Craig Drurey, 2017-03-28 God is waiting for each of us to return home In fact God is already out in the world searching and inviting each person to take the journey back to God s house Relational Discipleship Moving Back Home with God approaches discipleship from a fresh perspective and intentionally draws on biblical principles and examples of discipleship In this approach the metaphor of a house is used to describe our journey back to God Hospitality plays a key factor in how discipleship from this perspective warmly calls each person forward in each step Other modes of discipleship are solely focused on transformation of the disciple Here in this model the transformation of the discipler must occur first Then the discipler can be a warm host helping other travelers on the path to God s house Join in the journey today and see how Relational Discipleship offers the call to move back home with God The Church and the Crisis of Community Theresa F. Latini, 2011 Contemporary society is in crisis its structures broken and fragmented and its people overstimulated overstressed and thirsty for true communion with the sacred and with one another Yet although more than eighty five percent of congregations in the United States conduct small group ministry too many of these groups begin with no clear sense of purpose structure or spiritual focus and end by veering away from Christian tradition and unknowingly settling for shallow versions of popular Christianity In The Church and the Crisis of Community Theresa Latini lays out both a theoretical groundwork and a practical guideline for successful small group ministry Examining the latest sociological research and the real life practices of small groups in six congregations she shows how well developed groups those with mission statements

leadership training and solid organizational structure can be a truly effective tool in the church's work of transforming broken and shallow forms of community into life giving life sustaining relationships with God and others      *Leading Life-Changing Small Groups* Bill Donahue, 2012-05-08 Like nothing else small groups have the power to change lives They are the ideal route to discipleship a place where the rubber of biblical truth meets the road of human relationships However church leaders often feel at a loss when it comes to assessing the strengths and weaknesses of group life in a church and they struggle with understanding and solving the root causes of problems Group Life resources provide in ebook format the practical tools and training resources needed to develop life changing small group leaders coaches to shepherd group leaders and ultimately a thriving church wide small group ministry These resources include the updated and revised versions of the best selling *Leading Life Changing Small Groups* and *Coaching Life Changing Small Group Leaders* the new *Building a Life Changing Small Group Ministry* and the supplemental *Group Life Training DVD* Appropriate for individual or group study the books function as manuals and workbooks that teach and allow readers to process and record information as they learn Downloadable web based vision clips and supplemental videos in the DVD help readers explore and discuss topics further Group Life Resources conveniently integrate with the ReGroup™ curriculum giving trainers the option to use them together The updated and revised third edition of Bill Donahue's best selling *Leading Life Changing Small Groups* will help church leaders prepare small group leaders who can successfully facilitate gatherings and shepherd group participants
