Walt Disney Biography :

Walt Disney Neal Gabler, 2007 His classic films illuminated everyone's childhood The theme parks are on every tourist itinerary The movie empire is one of Hollywood's biggest players Walt Disney is one of the few men who unquestionably changed our culture Neal Gabler is the first author to have had complete access to the Disney Archives enabling him to write the definitive biography of this remarkable man It's a long book as Disney's achievement was so huge but a truly compulsive read He shows how Disney built up his fledgling studio with short cartoons featuring Mickey Mouse and Donald Duck before quite simply inventing animation with full length films like *Snow White* *Pinocchio* and *Dumbo* An astounding amount of work went into a film like *Fantasia* with whole crews working round the clock on a sequence a couple of minutes long only for the obsessively perfectionist Disney to order it redone all his profligacy and expansionism meant it was brother and business partner who kept the company solvent Disney then moved beyond animation with huge successes like *Mary Poppins* and mixed utopianism and merchandising to

Walt Disney A.A. Christiansen, 2017-08-10 WALT DISNEY The Man Behind The Magic A Walt Disney Biography The legend later known as Walt Disney was born Walter Elias Disney on December 5th in 1901 in Chicago Illinois and died on December 15th in 1966 in Burbank California at the age of 65 His work as an American film producer animator voice actor and entrepreneur would lead to a variety of enhancements in the way that we make cartoons and his personal style would touch the world and forever leave his mark Regardless of the negative connotations associated with his name since his death none can deny his importance in film and animation history and in the cultural fabric of the United States The awards and commendations he has won and been awarded speak for themselves but so does his work and the innovations he's brought into the future of animation and filmmaking His movies are still shown re-released and adapted quite frequently and his legacy lives on with Disney as a film company the Disney amusement parks that now span several countries and so much more His high standards and expectations live on in the Disney company's continued efforts in the production of popular entertainment and they inspire other innovators in the field of entertainment film television and animation as well No matter what your opinion of Walt Disney may be none can argue against the extraordinary magnitude of the span of contact that his work has had on the world The physical proof of his existence is everywhere Walk into any mall scan the channels on your television on any day or even just walk out of your house and chances are something that was created by Disney will cross your path This book looks at the life and work of this great animator and the legacy he leaves behind
