Who Were the Shudras how They Came to be the Fourth Varna in the Indo-Aryan Society B. R. Ambedkar, Dr Ambedkar, 2021-08-07

Who Were the Shudras is a history book by Indian social reformer and polymath B R Ambedkar The book discusses the origin of the Shudra Varna In the book Ambedkar citing Rigveda Mahabharata and other ancient vedic scriptures estimates that the Shudras were originally Aryans Ambedkar writes in the preface of the book Two questions are raised in this book 1 Who were the Shudras and 2 How they came to be the fourth Varna of the Indo Aryan society My answers to them are summarised below The Shudras were one of the Aryan communities of the solar race There was a time when the Aryan society recognised only three Varnas namely Brahmins Kshatriyas and Vaishyas The Shudras did not form a separate Varna They ranked as part of the Kshatriya Varna in the Indo Aryan society There was a continuous feud between the Shudra kings and the Brahmins in which the Brahmins were subjected to many tyrannies and indignities As a result of the negligence towards the Shudras generated by their tyrannies and oppressions the Brahmins refused to perform the Upanayana of the Shudras Owing to the denial of Upanayana the Shudras who were Kshatriyas became socially degraded fell below the rank of the Vaishyas and thus came to form the fourth Varna Ambedkar also discusses Aryan race theory and rejects Indo Aryan migration theory in the book

How they came to be the fourth Varna in Indo-Aryan society.* Foreword by Jagjivan Ram. (Reprinted.). Bhimrao Ramji Ambedkar,1970 **For the solution of the 'Caste' question Buddha is not enough Ambedkar is not enough either Marx is a Must** Ranganayakamma, For the solution of the Caste question Buddha is not enough Ambedkar is not enough either Marx is a Must This is neither Buddha s biography nor Ambedkar s Further it is not Marx s biography either This is a discussion concerning the Dalit question based exclusively on Ambedkar s writings However I have confined myself only to those writings that deal with the Dalit question and Caste system Ambedkar had also discussed other issues like Division of labour Division of Labourers poverty unemployment and economic exploitation These issues are connected with the Dalit question and the Caste system Hence all these issues find place in this book Ambedkar had also written on other themes like the Problem of the Rupee and Large Scale Industry But I have not included those issues which are not directly connected with the Dalit question Even regarding Gandhi I have not considered issues other than those Ambedkar cited in connection with the Dalit question For the purpose of this essay I wanted to rely only on Ambedkar s writings But in couple of contexts where I could not find relevant information in Ambedkar s works I had to turn to a few references from his biographies I have given these details in the respective contexts The world needs the theory that is powerful enough to illuminate the path It is irrelevant whether that theoretician is Buddha Marx Ambedkar or someone else That which remedies the disease alone is a medicine That which emancipates from sufferings alone is the higher path If it is Buddhism we are obliged to follow it to revere it The question however is to ascertain which is the higher path This is the thing which we must ascertain We are obliged to follow the thing which we ascertain to be the higher path We need to read Ambedkar s writings in order to arrive at a correct understanding of many issues which he discussed the caste system untouchability poverty Buddhism Marxism etc We have to read them carefully and seriously Whatever we read we have to take everything that is useful We have to follow it We have to correct whatever needs correction We have to abandon whatever is not useful To do all this however we must first understand Ambedkar s ideas correctly Problems like castes and untouchability are not things that have arisen so to speak yesterday or today They have been entrenched for thousands of years But we don t have any written literature other than religious texts and some inscription that tells about them The available sources may not be useful in many contexts Yet they may be useful to some extent in some contexts When we don t find clear cut bases for the problems however there is no way out except attempting to understand them by means of our own logic The Creation of Poverty and Inequality in India Parthasarathi Shome,2023-05-31 This book analyses poverty in India as being intimately connected with the advent of caste untouchability colonialism indentured servitude and slavery and their relation to modern practices The Tribes and Castes of Bombay Reginald Edward Enthoven,1922 Dr. Babasaheb Ambedkar, Writings and Speeches: Who were the shudras? ; The
