Woordenboek Online Nederlands Betekenis:

Temporary Appropriation in Cities Alessandro Melis, Jose Antonio Lara-Hernandez, James Thompson, 2019-12-12 This book conceptualises and illustrates temporary appropriation as an urban phenomenon exploring its contributions to citizenship urban social sustainability and urban health It explains how some forms of appropriation can be subversive existing in a grey area between legal and illegal activities in the city The book explores the complex and the multi scalar nature of temporary appropriation and touches on its relationship to issues such as sustainability and building re use culture inclusivity including socio spatial inclusion streetscape design homelessness and regulations controlling the use of public spaces The book focuses on temporary appropriation as a necessity of adapting human needs in a city highlighting the flexibility that is needed within urban planning and the further research that should be undertaken in this area The book utilises case studies of Auckland Algiers and Mexico City and other cities with diverse cultural and historical backgrounds to explore how planning design and development can occur whilst maintaining community diversity and resilience Since urban populations are certain to grow further this is a key topic for understanding urban dynamics and this book will be of interest to academics and practitioners alike

Language Use, Usage Guides and Linguistic Norms Luisella Caon, Marion Elenbaas, Janet

Grijzenhout, 2021-02-18 This volume offers a collection of twelve original papers on language use and attitudes towards language from both a historical and a present day perspective The first part of the book focuses on the general theme of language use and on attitudes towards language use in both the past and the present The second part concentrates on actual language use in personal and public letters from the sixteenth to nineteenth centuries The third part is mainly concerned with the possible impact of usage guides and also addresses the problem of language and cultural misunderstanding and the apparent need for usage guides for cultural allusions Language Use Usage Guides and Linguistic Norms will be of interest to scholars of language use in both the past and the present as well as to anyone interested in the interplay between actual language use and prescriptive attitudes towards language
