Working Women Of The Bible Timeless Mentors For Modern Women:

Working Women of the Bible Susan M. DiMickale, 2014-06-12 As working women struggle to find mentors in today's society Working Women of the Bible asks what if the women of Scripture are the very mentors we've been looking for Most working women today understand they can never be Superwoman But if Superwoman is unattainable whom are we trying to emulate Is the Bible completely outdated or does it offer a blueprint full of real life culturally relevant examples for the twenty first century working woman Can we actually find female mentors in the Bible women who defied cultural norms and held positions of power and influence Working Women of the Bible confronts these questions with heart and humor and offers surprisingly simple yet potentially life altering answers *Discipleship for Every Stage of Life* Chris A. Kiesling, 2024-06-18 The field of life span development in psychology has much to offer those engaged in making disciples and Chris Kiesling brings those insights to bear in this volume He appropriates the most useful observations from this discipline in light of biblical teaching Drawing on more than twenty five years of experience teaching faith development topics in academic and local church settings Kiesling assembles a toolkit that will help those in ministry think comprehensively about discipleship at every stage of life Taking into account physical cognitive emotional and social aspects of human development from infancy through older adulthood Kiesling guides readers in making practical use of these insights in churches and educational settings Pastors ministry leaders and educators will benefit from this treatment which brings cutting edge findings from the social sciences into dialogue with Scripture theology and practical ministry

Devotions for the Modern Woman Marcia Conston, 2019-02-27 This book is written for every woman who is seeking God's will for her life. Whether you are twenty, forty, sixty, or eighty years old, it is neither too early nor too late to know your purpose in life and to walk the path God has called you to walk and to fulfill what he has called you to do. This is a devotion series which focuses on six biblical women and how their life experiences can serve as powerful examples for us. The women are Sarah, Genesis; Hannah, I Samuel; Deborah, Judges; Esther, Esther; the woman with the issue of blood, Luke; and the Samaritan woman, John. Each devotion is preceded by a litany of promise as we seek divine examples for our lives. As women of God, we all have a sincere desire to follow his plan. The challenge comes in discerning the time and always trying to figure out exactly what we should be doing. It may be that as women, since we have so many demands on our time, it is hard to hit the pause button in our lives and listen to the small but powerful voice speaking within our souls. We reason that we cannot give up a good paying job to go into the ministry. For most women, that may be true. We also reason that as stay-at-home mothers, we are constantly consumed throughout the day and the work is never complete. No matter if we work inside or outside the home, there are many opportunities to serve the Lord. Maybe starting a Bible study on Saturday mornings to minister to neighborhood women is your call.

Successful Women of the Bible Katara Washington Patton, 2016 The second book in a new series that brings the experiences of favorite Bible characters to challenges of contemporary life. Contemporary success is often defined in financial terms or by number of Twitter followers. But for women of faith, success is so much more. And it turns out the timeless qualities of success are exemplified by women on the pages of their favorite book, the Bible. Deborah's model leadership is just as relevant today as it was in the age of the Hebrew judges. Esther's courage to stand up for a cause, Miriam's joyful support of others, Priscilla's exemplary partnership skill, Lydia's business acumen, and other characteristics of women in the Bible are embodied in lively storytelling. Busy Christian women often working and raising a family crave examples of success. Here are distilled principles they can use to succeed in today's noisy culture. The lessons of these icons of the faith apply even in the age of Facebook and Instagram.
