Working With Older Adults Group Process And Technique:

Working with Older Adults: Group Process and Technique Barbara Haight, Faith Gibson, 2005-03-30 Beginning with an overview of the changing world of aging this book goes on to address practical principles and guidelines for group work

Working with the Elderly Irene Mortenson Burnside, 1984 **Group Techniques for Aging Adults** Kathie T. Erwin, 2013 Elders can struggle with issues of social isolation and self esteem and benefit from having positive coping skills at their disposal The practical ideas Kathie Erwin imparts in this second edition help mental health professionals working with elderly populations to create an interactive multi modal program that addresses the issues and needs elders have The group modalities are defined in holistic contexts of mind body society and spirituality Among the group modalities are reminiscence bibliotherapy remotivation humor expressive art and therapeutic writing and sacred spaces which are new to this edition Mental health professionals appreciate the practical and detailed guidelines for how to design implement and monitor progress for various types of group modalities that allow them to put theory into practice easily Their elder clients will benefit from the methods they develop in group to deal with problems such as isolation and reduced social networks

Group Work with the Frail Elderly Shura Saul, 1983 Creative group approaches and programs formed to meet the needs of the frail elderly those physically emotionally and socially frail examines the needs of the family and the professionals who are attending the frail elderly and discusses the interpersonal skills helpful for developing group modality Group Work and Aging Roberta K Graziano, Robert Salmon, 2013-09-13 Get a wealth of information about the theory and practice of social work with older adults their families and their caregivers Although there is a considerable amount of writing on both group work and social work with the elderly there is surprisingly little about applying this practice method to this specific age group Group Work and Aging Issues in Practice Research and Education fills this gap by presenting penetrating articles about a mutual aid approach to working with diverse groups of older adults with varied needs Respected experts and gifted researchers provide case studies practice examples and explanation of theory to illustrate this practice method with aging adults their families and their caregivers Group Work and Aging Issues in Practice Research and Education discusses in depth information on group work with gay and lesbian elders caregivers elders with Alzheimer s disease service providers special populations such as Vietnamese and Latino a elders and provides information on the use of expressive therapies like art drama and dance Each well referenced chapter presents high quality up to date social group work practice strategies to prepare practitioners for the needs of the growing population of elderly in the near future Group Work and Aging Issues in Practice Research and Education discusses the adaptation of group work practice approaches when working with older group members the use of a Record of Service as an analytical tool in group work with aging lesbians a chronicle of a student s field placement at a drop in center for homeless senior citizens the sociocultural reality of the Asian immigrant elderly residential substance abuse treatment for older adults mutual aid groups for older persons with mental illness the

relationship between caregiver support groups and the marker framework of family caregiving telephone caregiver support groups group work interventions with elderly parents of adults with severe mental illness a program for the development and implementation of an intergenerational singing group support groups as an effective therapy at end of life the use of a mutual aid group with home attendants and much more Group Work and Aging Issues in Practice Research and Education reveals the latest examples of good group work practice with aging adults and their support systems perfect for practitioners educators and anyone interested in and or work with older adults A Healthy Old Age Stephanie FallCreek,1982

Counseling Older Adults John Blando,2014-04-08 Counseling older adults is not equivalent to counseling the general population and specialized skills and knowledge as well as sensitivity to the contexts in which older adults live are essential in working successfully with this population This text provides an introduction to gerontological counseling integrating the basic skills of working with older adults with theories of counseling and aging Specific counseling issues discussed include mental health counseling career counseling rehabilitation counseling and family counseling Along with these important contextual factors such as race culture social class social justice spirituality Alzheimer s and other dementias and family issues are considered in light of the latest research Each chapter contains case studies discussion questions a glossary and suggestions for further reading to reinforce the material presented Social Work with the Aged and Their Families Roberta R. Greene,2017-07-12 In recent years theoreticians researchers and practitioners have become increasingly interested in older adults and the aging process This volume draws on related disciplines to better understand the biological psychological and social aspects of aging Social Work with the Aged and Their Families covers areas of central interest to those coping with the needs of an aging population Among the topics addressed are assessment of the aging taking into account biological age psychological age and socio cultural and spiritual age Greene also considers the importance of the family system family roles and development functional age individual and family intervention and group and community interventions The scientific and systematic study of aging is known as gerontology Geriatric social workers are those who have applied established social work theories in an attempt to find suitable techniques for working with their elderly clients The need for specialized services has given birth to various services and programs For example meals on wheels and home health care services have been designed to meet specific physical needs of older adults However mental health services have lagged far behind as practitioners struggled to adapt such specialties as family therapy to families of later years A major contribution of this book now in its third edition is the functional age model of intergenerational treatment FAM which is an outgrowth of that demand The functional age model of intergenerational treatment is an integrative theoretical framework for social workers interested in clinical social work practice with older adults and their families Since its initial construction in 1986 the model has been augmented by more recent concepts related to successful aging spirituality and resiliency These additions together with the original assessment and intervention strategies present the major converging conceptual trends

that constitute a model for twenty first century social work practice in the field of aging Popular Culture in Counseling, Psychotherapy, and Play-Based Interventions Lawrence C. Rubin, 2008-05-12 With a Foreword by Danny Fingeroth former Group Editor of Marvel s Spider Man comics line Popular culture simply stated is the language of a people expressed through everything from its clothing food choices and religious practices to its media The popular and predominant values interests and needs of a society find their way into mass consciousness through a variety of venues including literature cinema television video games sport and music Through the inter related forces of mass production global marketing and the Internet the fruits of popular culture penetrate into stores living rooms and everyday experience of children teens and adults in the form of catchphrases toys iconography celebrities and indelible images Psychotherapists and counselors who can tap into the powerful images messages and icons of popular culture have at their disposal an unlimited universe of resources for growth change and healing Using real world case examples and sound psychological theory this book demonstrates how you can immediately start incorporating popular culture icons and images into your counseling or therapy In this way the authors will help elevate your ability to conduct clinical interviews with clients of all ages and all types of clinical problems Group Work with Populations at Risk Geoffrey L. Greif, Paul H. Ephross, 2005 Group Work with Populations at Risk 2nd Edition is a fundamental book aimed at social workers and other mental health professionals interested in at risk groups with specific populations Accessible and practical as well as scientifically and theoretically sound the text provides a set of guidelines for social workers who are called upon to work with groups of people facing such issues as cancer AIDS addiction head injury divorce mental illness and abuse The second edition expands the scope of the book to additionally address the significant world developments that have affected th
