There comes a point in a toddler's life when going in one's diaper is only one possible option and the question must be raised: Should I go in my potty? With pitch-perfect humor and pacing, *Potty Training Book* follows the inner dialogue sure to have little ones shouting responses and hilarious actions of everyone's favorite Baby winding up with an over-the-top look of surprise and delight that will have both parents and offspring laughing out loud. We did it! Camila Echavarria, potty training expert and author of the popular App *Potty Training: Learning with the Animals*, shares her proven story to help you toilet train your preschooler quickly and successfully. Worried about potty training? Let Camila Echavarria, potty training expert at PottytrainingApp.com, show you how it's done. Her story-proven process to get your toddler out of diapers and onto the toilet has already worked for 200,000 kids all around the world. Here's the good news: Your child is probably ready to be potty trained EARLIER than you think, ideally between 20-30 months, and it can be done FASTER than you expect. If you've ever said to yourself, "How I interest, motivate, or engage my kid to go to the toilet?" Why won't my child poop in the potty? How do I avoid potty power struggles? My kid was doing so well, why is he regressing? *Potty Training: Learning with the Animals* can solve all of these and other common issues. This isn't just a story; you're not bribing with candy, and there are no gimmicks. This is real-world from the trenches: potty training success. And check out Pottytrainingapp.com for more information, including expert advice, support from parents, just like you, songs, videos, games, apps, and instructions for how to take part in the next Great Potty Challenge. The debut of the book from Camila Echavarria, *Potty Training*, is a new addition to the great tradition of Leslie Patricelli, *Sesame Street*, Jamie Glowacki, Parragon Books, David Hochman, and Alyssa Satin Capucilli.

The Perfect Potty Zoo Agnes Green, 2018-01-28. Animals from A to Z are very much like you. They play, they eat, they sleep, they dream. They even pee and poo. This is a book that answers important potty time questions. From alligators to zebras via octopuses and bears, animals and little children alike must answer the call of Mother Nature when she reminds us that it's time to go to pee and poo. We all know how good little boys and girls should go potty, but what about animals? If you or your child has ever wondered how animals might visit their own potties, you'll find the answers in this very book. Agnes Green's *The Perfect Potty Zoo* is a hilarious and endearing book that little boys and girls, potty training will love, all while giving their parents a book to support them as they train for this important milestone in their young lives. Follow the antics of twenty-seven very different animals from air, land, and sea as they all go potty in this beautifully imaginative rhyming ABC book, accompanied with vivid full-color illustrations from artist Zhanna Mendel. Written for children between the age of 2-5, this engagingly humorous book is perfect not just for injecting a little toilet humor into the sometimes fraught process of potty training, but also for helping young children to learn their alphabet while increasing their knowledge of the natural world at the same time. The simple rhymes used for each animal are easy to read and will make this book a memorable journey for parent and child alike, giving plenty of opportunities for funny voices and even open an educational conversation about just why we all need to pee and poo and use our potties. As a mother of three, author Agnes Green has successfully trained each of her children.
