

Walmart Statement of Ethics

I'm a Vision Center regional manager. I've recently invested \$10,000 in an investment fund that may invest some of the money in the optical industry. Would this be a violation? Since you don't have direct control over the investment strategy, it's not a violation.

Someone told me I could not own stock in a vendor. Is this correct?

No. The restriction is you may not have any direct financial interest in a vendor whose business you have direct or indirect influence over within your position at Walmart. There are no restrictions to financial interests in vendors you do not have business influence over.

My wife recently joined Walmart and we own more than \$20,000 of stock in a key competitor. Must she sell this stock?

You should disclose the information to your manager and the Global Ethics Office. The Global Ethics Office will issue you an opinion with any instructions regarding any potential conflicts of interest.

George Black, 2025-08-22 Journey along one of the world's greatest rivers and catch a glimpse into the lives and cultures of the people who live along its banks The Ganges flows through northern India and Bangladesh for more than 1 500 miles before emptying into the Bay of Bengal It is sacred to Hindus who worship Ganga the river goddess But it has also long been a magnet for foreigners some seeking to unravel its mysteries and others who have come in search of plunder In On the Ganges George Black who chronicled the exploration of the American West and the creation of Yellowstone National Park in Empire of Shadows takes readers on an extraordinary journey from the glaciers of the Himalayas to the sacred city of Varanasi to the hundred mouths of the Ganges Delta On the Ganges parts of which originated from a New Yorker article

published last year introduces us to a vivid and often eccentric cast of characters who worship the river pollute it and flock to it from all over the world in search of enlightenment and adventure Black encounters those who run the corrupt cremation business workers who eke out a living in squalid factories religious fanatics and Brits who continue to live as if the Raj had never ended By the end of his journey Black has given us a memorable picture of the great river with all its riddles and contradictions both sacred and profane giving the last word to a man scavenging for the gifts left by pilgrims There are good days and there are bad days It all depends Everything is in the hands of our mother Ma Ganga The Demons of Liberal Democracy Adrian Pabst,2019-07-12 Liberals blame the global retreat of liberal democracy on globalisation and authoritarian leaders Only liberalism so they assume can defend democratic rule against multinationals or populists at home and abroad In this provocative book Adrian Pabst contends that liberal democracy is illiberal and undemocratic intolerant about the values of ordinary people while concentrating power and wealth in the hands of unaccountable elites Under the influence of contemporary liberalism democracy is sliding into oligarchy demagoguery and anarchy Liberals far from defending open markets and free speech promote monopolies such as the new tech giants that undermine competition and democratic debate Liberal individualism has eroded the social bonds and civic duties on which democracy depends for trust and cooperation To banish liberal democracy's demons Pabst proposes radical ideas for economic democracy a politics of persuasion and a better balance of personal freedom with social solidarity This book's defence of democratic politics against both liberals and populists will speak to all readers trying to understand our age of upheaval Statement of Disbursements of the House ,1997
