Men Writing Eating Disorders Heike Bartel,2020-12-04 Eating disorders do not only affect women and girls men and boys get them too but remain mostly invisible This book gives insight into this neglected problem through a comparative and transnational analysis of autobiographical accounts written by men with experience of living with eating disorders Truth, Lies and Trust on the Internet Monica T. Whitty,Adam Joinson,2008-08-28 The Internet is often presented as an unsafe or untrustworthy space where children are preyed upon by paedophiles cannibals seek out victims offline relationships are torn apart by online affairs and where individuals are addicted to gambling love and cybersex While many of these stories are grounded in truth they do paint a rather sensationalized view of the Internet the types of people who use it and the interactions that take place online Simultaneously researchers claim that the Internet allows individuals to express their true selves to develop hyperpersonal relationships characterised by high levels of intimacy and closeness At the heart of these competing visions of the Internet as a social space are the issues of truth lies and trust This book offers a balanced view of the Internet by presenting empirical data conducted by social scientists with a concentrated focus on psychological studies It argues that the Internet's anonymity which can enable for instance high levels of self disclosure in a relationship is also responsible for many of its more negative outcomes such as deception and flaming This is the first book to develop a coherent model of the truth lies paradox with specific reference to the critical role of trust Truth Lies and Trust on the Internet is a useful text for psychology students and academics interested in Internet behaviour technology and online deviant behaviour and related courses in sociology media studies and information studies The D Word Kate Anthony,2023-12-26 Should I stay married for my kids Does this count as abuse Why am I so unhappy What does a healthy relationship even look like When you're ready for honest answers to these and other questions The D Word shows you how to dig deep and find them and then move forward into a better brighter future From the host of the critically acclaimed The Divorce Survival Guide Podcast comes a book that provides the clarity peace and answers women need to make empowered decisions about their marriages break unhealthy patterns and build the life they truly want Every year close to a million women struggle to decide whether to divorce their partners Some are in relationships they know to be unsalvageable yet they're terrified that divorce will hurt their kids Others feel guilt ridden and confused over their unhappiness with a spouse who seems to the outside world at least to be perfectly fine And then there are those in between restless and aware of problems that may or may not be fixable with no idea how to tell the difference The D Word is the definitive yet accessible guide for everyone who wants to take control of their lives either by ending or repairing their marriage Written in Kate Anthony's signature straight talking empowering style The D Word is more than a practical handbook for those considering

divorce It also reveals how cultural and societal influences negatively affect our relationships and expectations stacking the odds against women And it provides a template for confident decision making and lasting growth and change whether readers choose to stay in a marriage or leave it **Cord and Creese** Anonymous,2023-02-01 Reprint of the original The
