Women Sex And Addiction A Search For Love And Power:

Women, Sex, and Addiction Charlotte S. Kasl,1990-07-05 In our society sex can easily become the price many women pay for love and the illusion of security A woman who seeks a sense of personal power and an escape from pain may use sex and romance as a way to feel in control just as an alcoholic uses alcohol but sex never satisfies her longing for love and self worth In this wise and compassionate book Charlotte Kasl shows women how they can learn to experience their sexuality as a source for love and positive power and sex as an expression that honors the soul as well as the body *Women, Sex, and Addiction* ,1979 *We Were the Least of These* Elaine A. Heath,2011-05-01 Much of what is written about abuse and the Bible focuses on the ways Scripture is used to hurt rather than heal This accessibly written book provides a much needed perspective illuminating the good news of healing and liberation that the Bible offers survivors of sexual abuse As a theologian and survivor of abuse herself Elaine Heath handles this sensitive topic with compassion and grace She offers a close reading of several biblical passages that have proven to be profoundly healing for her and for other survivors The book is illustrated with stories and insights from sexual abuse survivors who have experienced healing through the Bible in order to bring hope and encouragement to victims It will be welcome reading for those who have suffered from abuse as well as for pastors counselors therapists and others who minister to them Each chapter ends with two sets of reflection questions and recommended activities one set for survivors and another for those who journey with them
