Word Journeys Assessment Guided Phonics Spelling And Vocabulary Instruction:

Word Journeys Kathy Ganske, 2013-11-25 This trusted teacher resource and course text provides a comprehensive approach to assessing and building children's word knowledge grades K-8. Kathy Ganske shows how carefully planned word study can improve students' reading and writing skills while fostering their appreciation of language. Complete instructions are provided for implementing the Developmental Spelling Analysis (DSA), an easy-to-use assessment tool and for tailoring instruction to learners' strengths and weaknesses. Numerous word lists, student work samples, and Literature Links are included along with 27 reproducible forms. The large size format facilitates photocopying. Purchasers also get access to a webpage where they can download and print the reproducible materials. New to This Edition: Addresses the Common Core State Standards; Incorporates additional activities and technology tips plus updated research findings; Chapter explaining the meaning of word study and its role in literacy instruction including Researcher Voices perspectives from noted experts; Ideas for making the most of small group instructional time; Expanded Literature Links book lists now including informational texts; DSA answer sheets have been enhanced for easier scoring and several new reproducibles added. See also the companion volumes from Ganske: *Word Sorts* and *More Second Edition Sound Pattern and Meaning Explorations K-3* and *Mindful of Words Second Edition Spelling and Vocabulary Explorations Grades 4-8* which provide a wealth of ready-to-use word study activities.

Word Journeys, First Edition Kathy Ganske, 2000-04-25 This book presents a highly practical approach to assessing children's spelling and word knowledge abilities and offering effective appropriate instruction. Included is the Developmental Spelling Analysis (DSA), a dictated word inventory that enables teachers to quickly and easily evaluate students' stages of spelling development and their knowledge of important orthographic features. Detailed guidelines are set forth for engaging students in hands-on word study that is tailored to their specific strengths and weaknesses. Validated and field tested, the instructional techniques described here reflect the author's many years of classroom experience. Particularly useful features of the book include narrative snapshots of children at different stages of spelling development, numerous examples of student work, suggested word sort activities for each orthographic feature, lists of recommended books and poems, and a focus on fostering a love of words through word play and language appreciation. Provided in the appendices are reproducible forms for administering the DSA plus a list of over 12,000 words arranged by sound pattern and meaning-related features.
