Tempt Claire Farrell, There's a

monster running around Dublin and it's up to Ava to catch it. The pressure's on and she's becoming as cynical as Peter. With a little help, Ava has the chance to win all of her battles if the darkness doesn't take her over first. At approx 65 000 words, *Tempt* is the third book in the Ava Delaney series. Uprising Claire Farrell, The final three books in the original Ava Delaney series: *Taken*, *Taste*, and *Traitor*. An urban fantasy adventure. *Taken*: It's been months since Ava fooled the British vampires and dealt with Becca for good, but although life has been easier, it's not without its problems. Her deal with the twins is physically harming her, Peter's grasp on his sanity is tentative to say the least, Carl is struggling, and Esther is losing her edge. Ava's been asking too many questions in an attempt to fulfil her various deals, but her persistence turns out to be the biggest problem. She's not the only one asking questions, but somebody wants her to stop, and finding out who's in charge is a lot harder than taking care of her new houseguest. To survive on her own terms, Ava must take control of her own destiny for a change. That might involve swallowing her pride and accepting help from those she doesn't trust, because there are new foes on the horizon and the number of people needing her protection keeps on increasing. *Taste*: Someone is hunting down the people she's promised to protect, but Ava's taste for battle is slowly disappearing. She's losing the people in her life one by one, and without them, her inner light can only weaken. But the British Vampire Association have decided to take over Ireland too, and to give the entire country a fighting chance, Ava must work with the Council and their secret weapons, and let the world see her true face. A sea of blood can't wash away the deaths that will come, but Ava will make sure everyone gets what they deserve. *Traitor*: When Ava first saved Carl from a vampire, she had no idea what would happen next. Thrust into a world of magic secrets and betrayal, she's barely managed to survive. All of the choices she's made have led her deeper into trouble, and now a year later, it's time to grab some control again. Her enemies are making allies while Ava's struggling to keep her friends. But even as the larger battles are fought, there's another enemy creeping underneath, ready to plant distractions and take advantage of the aftermath. The dark days are coming quicker than expected. It's time for Ava to prove herself for the last time, but her final deal will prove the most costly.

Awakening Claire Farrell, *Awakening* contains the first three stories in the Ava Delaney series so far: A supernatural urban fantasy adventure. *Thirst*: Ava Delaney calls herself a hybrid, a living, breathing human who happens to have vampire poison running through her veins. The only thing greater than her thirst for human blood is her capacity for guilt. She does her best to avoid the human world for everyone's sake. When Ava accidentally enslaves a human while saving him from a vampire, she realises she has to look for help setting him free. Despite her misgivings, she expands her world but finds herself dragged into a possible vampire civil war. With the help of some new friends with ambiguous loyalties, she tries to find a way to keep her human and herself alive. *Taunt*: All Ava wants to do is forget about the vampires, but they won't leave her alone. Between her failing business, angry landlord, disloyal friends, and
