grace and forgiveness can bring healing into your life **Recovery Uncovered** Al Demers,2020-07-24 Addiction and the 12 steps as a program are designed to help be a roadmap for a better tomorrow We all struggle with hurts and pain because of broken trust which lead to broken relationships It doesn't matter if our hurts come from the workplace community organizations neighborhoods friends family or former relationships wounds leave scars In dealing with our hurts and pain we develop behavior patterns designed to protect ourselves from any further hurt Often times these behaviors have devastating consequences for ourselves our loved ones and others Recovery Uncovered will guide you through the process of healing restoration and character development The discovery and application portion will help you become the amazing human being you were destined to be Recovery Uncovered is a big picture approach to growth and healing which is designed to uncover this process so there is comprehensive practical application Many people have benefitted from recovery programs worldwide Recovery Uncovered is another tool to help people understand grow and become productive human beings who provide healing help and hope to those who are hurting Let's work to make restoring repairing and rebuilding relationships a priority This will help our world be a better place one day at a time one relationship at a time *Basic Training* Sandy Bell,2020-04-29 In writing this manual it is my hope to deliver a clear understanding of the why and how the church is to minister to those in need of healing We need to have a better understanding of what healing may or may not look like This manual was written for the purpose of training Jesus's disciples in the ministry of healing Inside these pages are a toolbox that can be used anywhere at any time We must understand as Christ's disciples on the frontlines of life the key to all healing is not in anything we do except to flow with what Jesus is doing through our relationship with him His ways are not our ways He will go to any length to accomplish what is needed to have a relationship with those He loves Every healing will be according to the will and purposes of God It is essential that the reader knows the One who is the source of all healing physical emotional mental and spiritual We become whole in body soul and spirit because it is God's desire and Jesus's sacrifice El Roi knows us and our troubles It was the great commission that Jesus commanded His disciples to preach the Gospel to all people Whoever believes the good news and is baptized will be saved and whoever does not believe will be condemned Miracle signs will accompany those who believe They will drive out demons speak in tongues protected from snakes and from drinking anything poisonous They will lay hands on the sick diseased and dis-eased and heal them It is my prayer that you will be blessed with a deeper level of wisdom knowledge and revelation from God to minister wholeness to others as the Holy Spirit leads you in the ministry of healing **God and Soul Care** Eric L. Johnson,2017-09-05 Christianity at its heart is a therapeutic faith In this companion to Foundations for Soul Care Eric L Johnson presents a systematic account of Christianity as divine therapy A groundbreaking achievement in the synthesis of theology and psychology this is an indispensable resource for students scholars pastors and clinicians **Solution-Focused Pastoral Counseling** Charles Allen Kollar,2011-05-03 An original effective and time saving approach that benefits pastors overtaxed by counseling

demands fully updated and expanded Professional counselor and pastor Dr Charles Allen Kollar found that counseling does not need not be long term or depend on psychological manipulation to produce dramatic results In most cases the solution lies with the counselees themselves Using the tested methods found in Solution Focused Pastoral Counseling pastors apart from counselors will be well equipped to help their counselees discover a solution and put it in motion speedily and productively Institute healthy change by helping the counselee see and work on the solution with God s activity already present in his her life create solutions with not for the counselee Solution Focused Pastoral Counseling does not require the counselor to be a highly trained psychological expert It requires biblically based sensitivity and common sense Yet this approach also recognizes its limitations and understands that there are situations in which other professional and or medical help is required This book reveals the possibility of life without the problem through an understanding of what is different when the problem does not occur or is less intrusive

From Sin to Disease Jonathan K. Okinaga,2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling The Big Book of AA and the introduction of the 12 Steps AA s influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse has had on how churches approach what should be classified as a sin issue

Broadening the Base of Addiction Mutual Support Groups Jeffrey D. Roth,William L. White,John F. Kelly,2016-04-08 Mutual help groups have proliferated diversified and adapted to emerging substance related trends over the past 75 years and have been the focus of rigorous research for the past 30 years This book reviews the history of mutual support groups for addiction that have arisen as adjuncts or

alternatives to Twelve Step Programs including secular mutual support groups like Secular Organization for Sobriety Smart Recovery and Women for Sobriety and faith based mutual support groups like Celebrate Recovery It also considers the mutual support groups attended by families and friends of addicts These mutual support groups are examined in terms of their histories theoretical underpinnings and intended communities The structures common in mutual support groups have influenced the rise of a new recovery advocacy movement and new recovery community institutions such as recovery ministries recovery community centers sober cafes sober sports clubs and recovery focused projects in music theatre and the arts This volume explores how collectively these trends reflect the cultural and political awakening of people in recovery and growing recognition and celebration of multiple pathways of long term addiction recovery This book was originally published as a special issue of the Journal of Groups in Addiction and Recovery

Lazarus Awakening Joanna Weaver, 2011-02-08 You believe that God loves the world but sometimes you wonder if He truly loves you For many of us moving the truth of God's love from our heads to our hearts is a lifelong process As we consider our

inadequacies or grieve our shattered dreams we find it difficult to believe that God cares for us personally In this life giving book Joanna Weaver shows you how to embrace the truth that Jesus loves you apart from anything you accomplish apart from anything you bring Just as He called Lazarus forth to new life Jesus wants to free you to live fully in the light of His love unbound from the graveclothes of fear regret and self condemnation Love is calling your name Combining unforgettable real life illustrations with unexpected biblical insights Joanna Weaver invites you to experience a spiritual resurrection that will forever change your understanding of what it means to be the one Jesus loves Includes 10 week Bible study adaptable for 8 weeks for both individual reflection and group discussion Think Red Larry Stoess, 2021-09-27 Have you ever wondered what the church would look like if Christians began to take the words of Jesus seriously the words some Bibles print in red What if Jesus actually meant for us to do the things he said What if those who believe in Jesus really did value the things he valued Would the church look different Would your neighborhood stay the same In Think Red Larry Stoess takes a close look at the values the vision and the mission of Jesus and then holds up a mirror for us to see if our communities look anything like Jesus If we dare look in the mirror we may be inspired to leave behind our obsession with consumer based religion and follow the way of Jesus Those who do will be set free to imagine creative and whimsical expressions of community
