**Haiti's Bad Press** Robert Lawless, 1992 Haiti's Bad Press is an important book that focuses on the long history of bias against Haiti and Haitians by foreign observers Robert Lawless an anthropologist analyzes Haitian culture and politics from its eighteenth century origins to the present day challenging official opinion      Thinking in Public Celucien L. Joseph, 2017-04-25 Thinking in Public provides a probing and provocative meditation on the intellectual life and legacy of Jacques Roumain As a work of intellectual history the book investigates the intersections of religious ideas secular humanism and development within the framework of Roumain's public intellectualism and cultural criticism embodied in his prolific writings The book provides a reconceptualization of Roumain's intellectual itineraries against the backdrop of two public spheres a national public sphere Haiti and a transnational public sphere the global world Second it remaps and reframes Roumain's intellectual circuits and his critical engagements within a wide range of intellectual traditions cultural and political movements and philosophical and religious systems Third the book argues that Roumain's perspective on religion social development and his critiques of religion in general and of institutionalized Christianity in particular were substantially influenced by a Marxist philosophy of history and secular humanist approach to faith and human progress Finally the book advances the idea that Roumain's concept of development is linked to the theories of democratic socialism relational anthropology distributive justice and communitarianism Ultimately this work demonstrates that Roumain believed that only through effective human solidarity and collaboration can serious social transformation and real human emancipation take place      *Caribbean Quarterly*, 1997      Sociolinguistique Bernard Gardin, Jean Baptiste Marcellesi, Communications et actes du colloque Th orie et pratiques de la socio linguistique organis du 27 novembre au 2 d cembre 1978 Rouen      **Haïti, Golimin et les autres** Erick Joassaint, 1986      *Tradition et modernité dans les littératures francophones* Maximilien Laroche, GRELCA., 1988      **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971**
