Zuni Fetish Carvers Kent McManis,2003-02 This

catalogue features selections from the Wheelwright Museum's superb collection of Zuni fetishes amassed by Leonora Curtin mostly between 1925 and the late 1940s. The pieces were made by the first generation of Zuni carvers to create the fetishes for a demanding commercial tourism market. It includes carvings by Theodore Kucate Leekya Deyuse, Teddy Weahkee, Leo Poblano, David Tsikewa, and Morris Laahty. *Collecting Rocks, Gems and Minerals* Patti Polk, 2012-11-11. Unlike the dense and highly technical academic tomes that are text heavy, poorly organized, and intimidating, this colorful and easy-to-use reference guide dedicated to collecting rocks, gems, and minerals is ideal for readers who want to expand their understanding without getting lost in a labyrinth of science. Beautifully illustrated with 700 color photographs providing wonderful detail and smartly organized to take the hassle out of identification, you will enjoy the simplicity of the guide and the enthusiasm and knowledge of author Patti Polk, one of the top agate collectors in the world and a self-proclaimed rockhound. You will also enjoy two areas that our competitors don't bother with: First, it includes values, and second, it covers an introduction to lapidary, which is the cutting and polishing of rocks and gemstones for jewelry or display.

A Guide to Zuni Fetishes and Carvings: The materials and the carvers Kent McManis, 1998. Describes the many materials used in carving and features several color examples of each. Adds many carvers and families creating fetishes and carvings yesterday and today.

Two Zuni Artists Keith Cunningham, 1998. A revelation of how Zuni art past and present is an essential expression of Zuni life and heritage. This book places modern work within the context of Pueblo folk art from prehistoric times to the present. Vintage and contemporary photographs show Zuni art and life as it has developed in recent times. 90 photos, 20 in color.

Field Manual for the Archaeology of Ritual, Religion, and Magic C. Riley Augé, 2022-07-08. By bringing together in one place specific objects, materials, and features indicating ritual, religious, or magical belief used by people around the world and through time, this tool will assist archaeologists in identifying evidence of belief-related behaviors and broadening their understanding of how those behaviors may also be seen through less obvious evidential lines. Instruction and templates for recording, typologizing, classifying, and analyzing ritual or magico-religious material culture are also provided to guide researchers in the survey, collection, and cataloging processes. The bulleted formatting and topical range make this a highly accessible work while providing an incredible wealth of information in a single volume.

International Symposium on East Anatolia—South Caucasus Cultures Mehmet Işıklı, Birol Can, Mehmet Işıklı, 2015-09-04. The Southern Caucasus is a region of great historical, cultural, and strategic importance, which means that it has become an indispensable research field for most of the social sciences, particularly archaeology. However, despite its rich potential, research in the areas of modern-day Georgia, Armenia, Azerbaijan, Nakhichevan, North-western Iran, and North-eastern Turkey has been inadequate when compared with other important culture basins such as Mesopotamia and the Mediterranean. In October 2012, Atatürk University in Erzurum, North-eastern Anatolia, Turkey, with the patronage of the Eurasian Silk Road Universities Consortium (ESRUC), hosted a Symposium of academics from more than 120 science and education institutions around the world to discuss

opinions and share information about cultures in this region from its earliest times to the Middle Ages within the scope of Ancient History Archaeology Art History and Ethno archaeology This two volume publication is a compilation of 75 articles which were evaluated and selected by an Academic Committee from contributors who presented their academic papers at the Symposium **Explorer's Guide Santa Fe & Taos: A Great Destination (Eighth Edition)** Sharon

Mullins,2014-10-21 Debra Mullins introduced readers to the world of the Truthseers in Prodigal Son Now the story of the lost Atlanteans continues in Heart of Stone Darius Montana is a Seer With his gift of empathy he can see into the hearts of others both human and Atlantean When his family comes into possession of one of the legendary power stones of Atlantis Darius is sent to find the Stone Singer Faith Karaluros is the last Stone Singer Manipulated all her life for her rare ability she is widowed after her husband tried to steal her power for the Mendukati an extremist group that hunts Seers Faith wants nothing more than to stay out of this war when Darius comes to find her just in time to rescue her from being kidnapped Faith goes with Darius determined to do the job and be on her way with the money that can set her up where no one can find her again She didn t count on the Mendukati sending a hit man after her Darius swears he can protect her but when she discovers he is one of the rare Atlanteans whose powers work on their own kind can she trust him to keep his word or is she being used again **Matter, Magic, and Spirit** David Murray,2013-04-23 The spiritual and religious beliefs and practices

of Native Americans and African Americans have long been sources of fascination and curiosity owing to their marked difference from the religious traditions of white writers and researchers Matter Magic and Spirit explores the ways religious and magical beliefs of Native Americans and African Americans have been represented in a range of discourses including anthropology comparative religion and literature Though these beliefs were widely dismissed as primitive superstition and inferior to higher religions like Christianity distinctions were still made between the supposed spiritual capacities of the different groups David Murray s analysis is unique in bringing together Indian and African beliefs and their representations First tracing the development of European ideas about both African fetishism and Native American primitive belief he goes on to explore the ways in which the hierarchies of race created by white Europeans coincided with hierarchies of religion as expressed in the developing study of comparative religion and folklore through the nineteenth century Crucially this comparative approach to practices that were dismissed as conjure or black magic or Indian medicine points as well to the

importance of their cultural and political roles in their own communities at times of destructive change Murray also explores the ways in which Indian and African writers later reformulated the models developed by white observers as demonstrated through the work of Charles Chesnutt and Simon Pokagon and then in the later conjunctions of modernism and ethnography in the 1920s and 1930s through the work of Zora Neale Hurston Zitkala Sa and others Later sections demonstrate how contemporary writers including Ishmael Reed and Leslie Silko deal with the revaluation of traditional beliefs as spiritual resources against a background of New Age spirituality and postmodern conceptions of racial and ethnic identity Crystal Blueprint Beatriz Singer, 2019-02-05 A guide to quartz crystals from both an ancestral and scientific point of view with the mission of helping readers identify their mind patterns and wounds to reconnect with the authentic self It s estimated that 10 billion quartz crystals are used every year in electronic devices from smartphones to computers credit cards watches digital cameras TVs cars and much more When you think about it it s almost impossible to imagine life without crystals These same crystals we see in so much of our technology have been used over the course of many centuries and by many different cultures around the world for healing In fact crystal healing is alive and well today with modern day healers harnessing the energy of quartz crystals to help alleviate suffering What is it that has drawn scientists and healers around the world to crystal technology and what are the similarities between the ways these two groups have used the stones In this book crystal healer and holistic therapist Beatriz Singer answers these questions and more She takes readers on a journey to understand the many wonders of quartz crystals so that we can use their powers to bring peace and healing to ourselves and the world

Cities of Gold Douglas Preston, 1999-03 A modern horseback journey across 1 000 miles of desert and wilderness following the trail of the first European explorer in the American Southwest **Catalyst One** Robert E. Rushton, 2004 A matrix of Morality wisdom Philosophy insights Diplomatic cynicism Common sense impressions Whimsy freak notions Personal love relations Societal love relations War Guerilla War Assassinations New political terminology and conceptions And much more for you the story maker to ponder extract and catalyze into your very own allergy using your genius to flesh it out in your name a legend of our time Story smiths will delight in the wisdom given in the various sections on love that may be extracted here from and fashion into a story line A refreshing change of outlook on this subject both from society s point of view and from the individual s intuitive instincts The parabolic sections on Front Line War Guerilla War and Assassination will offer the story maker pause for thought on these subjects The story maker s own abstraction and reworking of these new concepts will leave ample scope for metamorphosis into ones own powerful narrative The cynical section on diplomacy takes the subject to new horizons that will lead one from fresh works in this subject thus adding modern scope to those works of Michiavelli The story maker s extraction modification and reapplication of the various other sections of this work may possibly lead to new higher ground in plot constructs This book will both entertain and enlighten you A revolutionary and extraordinary book that crosses the boundaries of religion philosophy and intellectual thought with purity lucidity and

protraction laid out in an order that allows full scope of craft a blueprint for your own book in word erection This book of parables venerates the probity of extraordinary events in the life and times of contemporary society and doings It validates and encourages responsibility for creating your own truly insightful work The book requires some effort in understanding fresh ground breaking concepts and thus willingness to learn and grasp new terminology **Spirit Animals and the Wheel of Life** Hal Zina Bennett,2001-02-01 Though our ancient ancestors had a deep spiritual connection to the natural world most modern humans have lost that connection resulting in ever increasing ecological assaults on our planet As environmental quality continues to worsen we must find a way to spiritually reconnect with Mother Earth before it is too late Ecospiritualism is a form of spirituality that embraces and takes responsibility for the natural world we live in One of the most practical enjoyable and simple ways of reclaiming our ecospiritual connection with Mother Earth is journeying with the spirits of animals just as our ancestors did thousands of years ago Animals most intimately connect with Mother Earth are the perfect guides to the ancient wisdom we have lost Mole eagle badger wolf bear mountain lion each animal has its place on the sacred medicine wheel each has knowledge vital to the future of our Earth and to rediscovering our rightful place in it In Spirit Animals author Hal Zina Bennett offers an accessible form of spiritual orienteering in which personal power animals are the guides and teachers and shamanism is the means by which we work with and learn from them
