Bret Carroll

Understanding Manhood In America:

Understanding Manhood in America Robert G. Davis, 2005-06-03 Manhood in America Michael S. Kimmel, 2006
Publisher Description *Horace Bushnell on Women in Nineteenth-Century America* Michiyo Morita, 2004-10-18 Horace Bushnell on Women in Nineteenth Century America scrutinizes Bushnell's vision of a Christian America based on the organic unity of family church and nation A Christian America was for Bushnell a nation that endorsed basic Christian beliefs He believed the institutions of family church and nation to be the cornerstones in forming maintaining and expanding a Christian America Bushnell thought his vision of a Christian America could be realized through emphasizing the importance of men's government of women and women's subordination to men His complex views about women ranged from patriarchal and hierarchical to egalitarian and nurturing **Manhood in America** Michael S. Kimmel, 1996 Kimmel's history of men in America demonstrates that manhood has meant very different things in different eras *Martin Scorsese's America* Ellis Cashmore, 2009-11-09 The author discloses how collectively Scorsese's films present an image of America It's an image assembled from the perspectives of obsessive people burned out paramedics tortured lovers compulsive entrepreneurs or celebrity fixated comedians It's collected from pool halls taxicabs and boxing rings It's Scorsese's America The History of Men Michael S. Kimmel, 2012-02-01 In this collection one of the world's leading scholars in the field of masculinity studies explores the historical construction of American and British masculinities Tracing the emergence of American and British masculinities the forms they have taken and their development over time Michael S Kimmel analyzes the various ways that the ideology of masculinity the cultural meaning of manhood has been shaped by the course of historical events and in turn how ideas about masculinity have also served to shape those historical events He also considers newly emerging voices of previously marginalized groups such as women the working class people of color gay men and lesbians to explore the marginalized and de centered notions of masculinity and the political processes and dynamics that have enabled this marginalization to occur **What is Cool?** Marlene K. Connor, 2003 A profound personally engaged anatomy of the codes that have shaped and continue to shape black manhood Marlene Kim Connor reveals cool as a vital code of behaviors and attitudes that plays an often disregarded role in shaping the conception of manhood among young black boys In this thoughtful impassioned and provocative book Connor uncovers cool's history explores its essence and explains why even though it deserves praise cool often becomes an insidious force affective black American life today **The New African-American Man** Malcolm Kelly, 1996 THE NEW AFRICAN AMERICAN MAN introduces a new four step process that will assist you to go beyond human definitions and create a new vision of yourself with power It describes how a young boy embodied beliefs of himself as a victim and how he taught himself to overcome the victimization process THE NEW AFRICAN AMERICAN MAN gives you the tools to understand why and when you first acquired victim beliefs It will stimulate you to take action and discover how to use your inner intuitive power to achieve authentic empowerment *American Manhood*

Bret Carroll, 2025-05-01 While the concepts of manhood and masculinity have assumed an established place in gender and historical studies and masculinity is the subject of wide popular interest and discussion there is currently no up to date comprehensive historical overview of the subject American Manhood will introduce readers to the dynamic interplay between the perceptions and experiences we call masculinity and major social cultural political and economic developments in our history Its central argument will be that Americans of different racial class ethnic and regional groups have historically used concepts of masculine identity to gender relations of power and national belonging in ways that attempt either to entrench or to stake their claims to positions of authority and legitimacy in American life Gender the book assumes and will demonstrate provides a crucial analytic category for understanding U S history The book will cover the period from roughly the early seventeenth century to the present It will utilize a combination of chronological and topical approaches to present a state of the art narrative reflective of current historical scholarship to a broad general audience The anticipated audience will bring to their reading a familiarity with recent popular discussions of masculinity American Manhood will use accessible prose to reveal to them the enormous complexity diversity and historical rootedness of the topic to deepen readers understanding of a subject they thought they knew

American Masculinities: A Historical Encyclopedia Bret Carroll, 2003-10-14 This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men s studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll s compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men s studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo s American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America s democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities share the assumption that men s lives have been grounded fundamentally in gender that is in their awareness of themselves as males Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era Rather this important work delves into the psychological core of manhood which is shaped not only by

biology but also by history society and culture Encapsulating the current state of scholarly interpretation within the field of Men s Studies American Masculinities A Historical Encyclopedia is designed to help students and scholars advance their studies develop new questions for research and stimulate new ways of exploring the history of American life Key Features Reader s Guide facilitates browsing by topic and easy access to information Extensive name place and concept index gives users an additional means of locating topics of interest More than 250 entries each with suggestions for further reading Cross references direct users to related information Comprehensive bibliography includes a list of sources organized by categories in the field Topics Covered Arts Literature and Popular Culture Body Health and Sexuality Class Ethnic Racial and Religious Identities Concepts and Theories Family and Fatherhood General History Icons and Symbols Leisure and Work Movements and Organizations People Political and Social Issues About the Editor Bret E Carroll is Associate Professor of History at California State University Stanislaus He received his Ph D from Cornell University in 1991 He is author of The Routledge Historical Atlas of Religion in America 1997 Spiritualism in Antebellum America 1997 and several articles on nineteenth century masculinity

Social Work With African American Males Waldo E. Johnson Jr.,2010-05-26 African American males have never fared as poorly as they do currently on a number of social indicators They are less likely to complete high school than their white male and female or African American female peers they are more likely to exhibit depressive symptoms and they have fewer sanctioned coping strategies Arguably no other group in American society has been more maligned regularly faced with tremendous odds that uniquely threaten their existence When they do receive education mental health and physical health services it is often in correctional settings They are marginalized in public policies on secondary and higher education attainment marriage and parental expectations public welfare health housing and community development Yet they remain overlooked in health and social science research and are stereotyped in the popular media Taking a step back from the traditionally myopic view of African American males as criminals and hustlers this groundbreaking book provides a more nuanced and realistic portrait of their experiences in the world Chapter authors both established and emerging scholars of social problems relevant to African Americans offer a comprehensive overview of the social and economic data on black males to date and the significant issues that affect them from adolescence to adulthood Via in depth qualitative interviews as well as comprehensive surveys and data sets their physical mental and spiritual health and emerging family roles are considered within both individual and communal contexts Chapters cover health issues such as HIV and depression fatherhood and family roles suicide violence academic achievement and incarceration With original research and a special eye toward enhancing social work and social welfare intervention practice with this often overlooked subpopulation of American society this volume will be of great interest to researchers interested in African American issues students practitioners and policy makers

The American Magazine of Art ,1918 **Understanding American History Through Fiction** Warren A. Beck,1974 **Annals of the American Academy of Political and Social Science**

,1925 *American Magazine* ,1921 **American Manhood** E. Anthony Rotundo,1993-05-04 This first history of American manhood offers a comprehensive account of our understanding of what it is like to be a man and how this perception has changed with time Index **American Pictures and Their Painters** Lorinda Munson Bryant,1921 Guyland Michael Kimmel,2018-07-24 One of the most eminent scholars and writers on men and masculinity and the author of the critically acclaimed *Manhood in America* turns his attention to the culture of guys aged 16 to 26 their attitudes their relationships their rules and their rituals Kimmel is our seasoned guide into a world that unless we are guys we barely know exists As he walks with us through dark territories he points out the significant and reflects on its meaning Mary Pipher Ph D author of *Reviving Ophelia* The passage from adolescence to adulthood was once clear Today growing up has become more complex and confusing as young men drift casually through college and beyond hanging out partying playing with tech toys watching sports But beneath the appearance of a simple extended boyhood a more dangerous social world has developed far away from the traditional signposts and cultural signals that once helped boys navigate their way to manhood a territory Michael Kimmel has identified as Guyland In mapping the troubling social world where men are now made Kimmel offers a view into the minds and times of America's sons brothers and boyfriends and he works toward redefining what it means to be a man today and tomorrow Only by understanding this world and this life stage can we enable young men to chart their own paths stay true to themselves and emerge safely from Guyland as responsible and fully formed male adults **Collier's** ,1914
 The American Friend ,1923

Whispering the Strategies of Language: An Emotional Quest through **Understanding Manhood In America**

In a digitally-driven world where monitors reign supreme and instant connection drowns out the subtleties of language, the profound techniques and mental subtleties hidden within phrases frequently move unheard. Yet, nestled within the pages of **Understanding Manhood In America** a captivating fictional prize sporting with organic thoughts, lies an exceptional quest waiting to be undertaken. Written by a talented wordsmith, that wonderful opus attracts viewers on an introspective journey, lightly unraveling the veiled truths and profound influence resonating within the very fabric of every word. Within the mental depths of the emotional evaluation, we shall embark upon a heartfelt exploration of the book's primary subjects, dissect their charming writing style, and succumb to the effective resonance it evokes seriously within the recesses of readers' hearts.
