## **Understanding The Of Revelation:**

**Understanding Revelation** Jack Hilliard, 2007-08 This volume uses the 39 books of the Old Testament and 27 books of the New Testament to interpret the book of Revelation Scripture interpreting Scripture      **Understanding the Book of Revelation** Terri Lewis, 2010-09 Understanding the Book of Revelation is an exposition of the Book of Revelation simply written explaining the main symbols according to the findings of most scholars on each topic It is not weighted down with speculation and fringe concepts but defines the meanings that are most often held by Biblical scholars This book takes you step by step through the Book of Revelation expounding on each issue so that you can uncover for yourself what will happen during these exciting times It will tell you if the perspective is from heaven or earth if the event is mentioned chronologically or if something yet in the future is being explained No longer do you have to be intimidated by the Book of Revelation Now you can enjoy the blessings promised to those who read and hear its message This is a book for people of all ages and denominations who are interested in understanding the Book of Revelation Dr Terri Lewis began seriously studying God s Word after she attended many hours of home Bible studies in the 70 s and 80 s and still desired more Delving deeper into the Word alone and with friends and attending college Bible courses whenever they were available she realized her passion for God s Word Terri taught Bible in the Christian Schools where she worked and later received a Doctorate Degree in Christian Education      **Understanding Revelation** Gary Cohen, 2001-12-21 Here is a study that opens up the Book of Revelation in a clear step by step and scholarly manner It is for those who have avoided studying this last book of the Bible because of all of the questions surrounding it and because of the many divergent views advocated      **All Things New** Tim Snider, 2011-10-05 All Things New is not just another book on Bible prophecy Are we the terminal generation Are we the generation of mankind that will see the fulfillment of its prophecies This book answers those questions The book of Revelation needs to be engaged more now than in any era of human history However many recent books on the subject of Revelation take a much too scholarly approach to a book that was written to be understood by the common man All Things New is a verse by verse commentary guide for the Christian or non Christian reader who may simply want to know what the book of Revelation is all about and what its significance is for us today Included are definitions of the basic terms related to the Church and Christianity that a non believer might not understand but are necessary for a clear comprehensive understanding of Revelation This book is not just about scary beasts incomprehensible images and mind boggling catastrophes and judgments Its also a book of vindication for the people of God a demonstration of God s eternal justice and most importantly a book of hope for a world that seems to have lost its way There are storm clouds on the horizon and a cold night of despair will follow but the night is never so cold as just before the dawn May everyone who reads this book find joy peace and tranquil hope for the future in the person of Jesus Christ A new day is coming and a new world will dawn in which God will indeed make All Things New To read a Kirkus review for this book copy and paste this address into your browser <http://www.kirkusreviews.com>

com book reviews tim snider all things new snider review      *Understanding Revelation* Wesley Cole, 2015-02-27 This is a book about life and death conflict and war courage and faith heaven and hell Gods purpose in having the book of Revelation written was because God wanted the servants of Jesus Christ to understand what is going to take place He tells us when these things begin they will take place quickly God so desires us to have this information that He promises to bless all those who will read and heed the book of Revelation This book foretells of an apostasy and how the restrainer of lawlessness is removed How the city of Babylon rises to prominence What transpires to bring about the demise of Hamas Hesbollah the Palestinian resistance and Israels takeover of Jordan It tells about a prosperous Israel at peace until invaded by a coalition of countries It reveals how the antichrist comes to power and how he influences the world It tells us about two of Gods witnesses who are killed and then come back to life It tells us how God will rescue the Jews from Satans plan to annihilate them It tells us what will happen before and after the rapture This book has over 60 events in chronological order that must take place before Jesus institutes a new government and begins His reign as King of kings for a thousand years This is a book about Jesus Christ In it He tells us what He likes and dislikes about the churches He tells us about rewards He has for us and what must be overcome to insure we have eternal life But most of the book deals with coming events that must take place before He returns      **You Can Understand the Book of Revelation** Jeff Scoggins, 2013 Some Christians say Revelation is a closed book and not meant for human understanding Actually the word revelation means unveiling and the first chapter of Revelation promises a blessing to all who read and take it to heart Other readers study Revelation over and over but end up confused about all the beasts scrolls trumpets and angels The truth is that Revelation is the story of Jesus Christ from beginning to end and we need to understand the plot of that story before sorting out the details A few preachers even use the newspaper to interpret Revelation equating each symbol with a specific event in yesterday s news Actually Revelation is best interpreted using the Bible itself You can learn to understand prophecy for yourself all you need is a safe method of Bible study and the guidance of the Holy Spirit Once you grasp the basic method we ll use those tools to walk through the central portion of Revelation which deals with earth s final crisis just before the second coming of Jesus You may have to re think everything you thought you knew about interpreting prophecy but you ll know that you stand on the firm footing of Gods word Open your Bible and join us for the journey      *A View from Above* J. W. Murphy, 2014-10-10 Imagine what your Christian development would be like if you grasped the true character of God you were captivated by appreciation of and love for Gods Word you were not frightened away by the haunted house of Revelation you appreciated how the early church s experience influenced the message of Revelation you understood how various viewpoints on Revelation developed over time you enjoyed a perspective which prevents tunnel vision you understood viewpoints about which you were previously unaware you esteemed fellow believers who have different understandings of Revelation you appreciated how the meaning of Jesus sacrifice is pictured in Revelation you practiced the message of Revelation in everyday life you were strengthened by an

unshakable faith in God your faith was heartfelt and growing rather than formal or ritualistic you were strong enough to stand firm in the face of any and all spiritual opposition you were known for your moral and spiritual purity you were able to resist the seductions of our culture you demonstrated the sacrificial style of Jesus rather than the self serving style of society you enjoyed the blessings of those who keep the words of Revelation s message your anticipation of Jesus return rose above a distracting concern with earthquakes wars and developing social events you appreciated your present and future spiritual realities you were eager rather than fearful about the future you enjoyed the depths of the relationship toward which God is moving us

**Understanding the Book of Revelation** D. Min. David Baxley,2018-05-14 The Book of Revelation has long been thought of as a formidable and confusing work understandable to only elite bible scholars But like its very name Revelation understanding of this seemingly complex book is available to all God has even promised a special blessing to those who read it David Baxley D Min has broken down the perceived barriers and written a simple verse by verse commentary that is understandable to even beginning bible students It includes maps a chronology of end time events and wars definitions and cross references to Old Testament scriptures that point to the time of the end He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book It s a book of hope in the return of Jesus Christ and His perfect rule that will bring an end to evil and injustice and believers will live with God forevermore A bible student for over 50 years and pastor for over 40 Dr David Baxley has studied and taught the Book of Revelation extensively While in the hospital recovering from a heart transplant he realized that the sequence of end time events was still not clear in his mind so he spent the next two years in intense study This book is the result of that study

Understanding Revelation Gary G. Cohen,1968 A chronology of the Apocalypse **God's Final Word** Ray C. Stedman,2011-05-01 Ray Stedman guides you on a verse by verse exploration of the book of Revelation bringing to life the mysteries of this highly symbolic book of the Bible God s Final Word encompasses and brings into brilliant focus the entire scope of human history of eternity itself **Revelation: Beyond the Cross** Dennis Lavalley,2011-10 A deep shroud of mystery surrounds the book of Revelation and it lends itself to a wide variety of interpretations Its style and symbolism intimidate us and leave us bewildered yet there is a thread of continuity and strength permeating its pages Not just another book on Revelation Dennis LaValley s Revelation Beyond the Cross cuts through layers of poor translation and error to solve the problems presented by hundreds of years of misinformation In a conversational style LaValley writes to reveal Revelation s true purpose the full vivid story of Jesus s return to heaven after his ministry on Earth Through meticulous research LaValley places Revelation back in the Bible endows it with the authority of Scripture and shows its relevance to the other books of the Bible and to the first century Christian He breaks down Revelation chapter by chapter and interprets the visions and symbols in accordance with the principles of apocalyptic literature using Scripture not opinion Revelation Beyond the

Cross shatters the bonds of tradition and superstition and strips away the mystery to reveal the pure and simple truth of the Gospel

**Understanding the Book of Revelation** Dr. Gordon L. Boggs, 2019-03-06 The Book of Revelation has been a mystery to many people for many years One of the basic roadblocks to understanding the Book of Revelation has been the fact that there is no Temple in Jerusalem The Temple was destroyed in AD 70 so for almost two thousand years since the Book of Revelation was written there has been no Temple in Jerusalem Nevertheless John the author of Revelation was instructed to Measure the Temple Revelation 11 1 8 Daniel spoke of how the Anti Christ would Stop the Daily Sacrifices at the Temple Daniel 12 4 13 Paul spoke of how the Anti Christ would sit as God in the Temple of God and proclaim that he was God 2 Thessalonians 2 1 5 Jesus spoke of the coming Tribulation and mentioned the Abomination of Desolation which occurs inside the Temple Mathew 24 15 21 Mark 13 14 19 But from AD 70 until May 1948 Neither the Temple nor the Nation of Israel existed This book will walk you through the exact Sequences of when each Biblical Event occurs and give you the exact Bible References so that you can see the actual Biblical Sequence of Events for yourself The First Chapter will close with a List of 12 Events all in Sequence all with actual Bible References The Final Chapter will close with a List of over 100 Events all in Sequence all with actual Bible References If you ever wanted to know for sure What Does the Bible Say Then this book is for you

Revelation Revealed Nick Peros, 2022-03-22 Revelation Revealed is a study of the book of Revelation It is not an end times book in that it does not seek to identify current events in the light of Bible prophecy rather Revelation Revealed examines the book of Revelation itself what are its key imagery and symbols What do they mean What are the timelines of the book What is the sequence of events What are the Days of Noah Who is the Beast and how do we understand him What is the mark of the Beast How do we understand Babylon the Great the Mother of Prostitutes Is there a rapture All of these questions and many more are addressed with all questions being approached exclusively from the standpoint of Scripture itself it is Scripture which answers these questions for us and clear conclusions are reached The events outlined in the book of Revelation are the most prophesied events in the Bible and Revelation Revealed shows that the book of Revelation is understandable for God has given us all that we need in order to understand it

**The Apocalypse** George T. Montague, 1992 *Breaking the Code - Participant's Book* Bruce M. Metzger, 2006-08-01 The Book of Revelation contains passages of great beauty and comfort as well as passages that strike the casual reader as bizarre bewildering and sometimes frightening How are readers today to discern God's message in this peculiar part of the Bible Breaking the Code provides a trustworthy guide to the rich symbolism of this important biblical book Noted biblical scholar Bruce M Metzger presents the fruits of solid scholarship in a non academic style Breaking the Code serves as a key for understanding this powerful and puzzling book from the first century of the Christian Era Topics

**Understanding Revelation** Malcolm Hedding, 2013-01-30 The Book of Revelation is often polarizing Many choose to avoid the work altogether declaring it to be unknowable or intimidating Others maintain a fascination with the images and characters of the prophetic pictures of Revelation Malcolm provides a remarkable perspective on the Book of Revelation He invites the reader into the text providing a devotional approach to the truth presented His insights help illuminate the promises and warnings of God His combination of scholarship and pastoral concern are very helpful in sorting through the complexities of Revelation and therefore his discussion of the temporal eternal and eschatological aspects of Revelation constitutes very helpful distinctions Malcolm does a remarkable job of introducing the reader to Jesus throughout

the Book of Revelation It is after all a Revelation of Jesus Christ
