

The background of the entire cover is a photograph of a forest. Sunlight is streaming through the trees, creating visible rays of light (crepuscular rays) that illuminate the scene. The trees are tall and thin, with green foliage. The ground is covered with fallen leaves and grass. The overall color palette is warm, with a lot of yellow and green.

Franco Wong, Michelle Hanlon, Robert Magee, Glenn Pfeiffer, 2025-08-14 We wrote this book to equip students with the accounting techniques and insights

necessary to succeed in today's global business environment. It reflects our combined experience in teaching financial accounting to students at all levels and in several countries. For anyone who pursues a career in business, the ability to read, analyze, and interpret published financial reports is an essential skill. Financial Accounting using IFRS is written for future business leaders who want to understand how financial statements are prepared and how the information in published financial reports is used by investors, creditors, financial analysts, and managers. Our goal is to provide the most engaging, relevant, and accessible textbook available.

TARGET AUDIENCE: Financial Accounting using IFRS is intended for use in the first financial accounting course at either the undergraduate or graduate level at universities that want to teach IFRS. U.S. GAAP is not covered. This book balances the preparation of financial statements with their analysis and interpretation. This book accommodates mini courses lasting only a few days as well as extended courses lasting a full semester. Financial Accounting using IFRS is real-world oriented and focuses on the most salient aspects of accounting. It teaches students how to read, analyze, and interpret financial accounting data to make informed business decisions. To that end, it consistently incorporates real company data both in the body of each chapter and throughout the assignment material.

Financial Reporting and Analysis: Using Financial Accounting Information Charles Gibson, 2008-04-15. Now you can teach financial accounting from both a user's and preparer's perspective with a wealth of actual examples, cases, and real financial statements found in Gibson's FINANCIAL REPORTING AND ANALYSIS USING FINANCIAL ACCOUNTING INFORMATION, Eleventh Edition. This effective text emphasizes the analysis and interpretation of the end result of financial reporting: financial statements. The author focuses on the language and preparation of financial statements throughout. Students analyze real financial reports as they work with actual reports, 10Ks, proxy statements, other exhibits, and cases drawn from actual companies. Nike is used as a continuing focus company throughout the text, providing the opportunity for students to become familiar with a single organization and better understand the meaning of its statements within a competitive context. This edition reflects the most recent changes in accounting standards and financial reporting and addresses emerging trends and areas of growth such as the field of hospitality. In addition to a wide variety of problems, questions, cases, and Web references for practice and application, students have access to the robust Thomson ONE Business School Edition, the same online financial analysis tool used by Wall Street professionals every day. With the book's well-organized framework for learning and emphasis on numerous industries, your students leave the course prepared for success, no matter what area of business they pursue.
