

Union River Ironclad 1861-65

Union River Ironclad 1861 65 New Vanguard

Myron J. Smith, Jr.

Union River Ironclad 1861 65 New Vanguard:

Union River Ironclad 1861-65 Angus Konstam, 2012-12-20 At the start of the American Civil War neither side had warships on the Mississippi River which was a vital strategic artery In what would prove the vital naval campaign of the war both sides fought for control of the river While the Confederates relied on field fortifications and small gunboats the Union built a series of revolutionary river ironclads First commissioned in January 1862 these ironclads spent the next two years battling for control of the Mississippi fighting in a string of decisive engagements that altered the entire course of the war This book explains how these vessels worked how they were constructed how they were manned and how they were fought

Ironclad Captains of the Civil War Myron J. Smith, Jr., 2018-11-29 From 1861 to 1865 the American Civil War saw numerous technological innovations in warfare chief among them was the ironclad warship Based on the Official Records biographical works ship and operations histories newspapers and other sources this book chronicles the lives of 158 ironclad captains North and South who were charged with outfitting and commanding these then revolutionary vessels in combat Each biography includes where known birth and death information pre and post war career and details about ships served upon or commanded

The Old War Horse Myron J. Smith, Jr., 2024-02-13 With a unique prewar history as a snagboat and James B Eads noted catamaran salvage vessel the Benton survived a tumultuous government acquisition process and conversion to become flagship of the Union's Civil War Western river navy From Island No 10 through the Vicksburg and Red River campaigns the revolutionary ironclad participated in both combat and administrative activities earning a prominent place in nautical legend and literature This first book length profile of the warship reveals little known details of both her prewar and wartime career and reviews her final disposal

The USS Carondelet Myron J. Smith, Jr., 2010-04-13 The USS Carondelet had a revolutionary ship design and was the most active of all the Union's Civil War river ironclads From Fort Henry through the siege of Vicksburg and from the Red River campaign through the Battle of Nashville the gunboat was prominent in war legend and literature This history draws on the letters of Ensign Scott Dyer Jordan and Rear Adm Henry Walke's memoirs

The CSS Arkansas Myron J. Smith, Jr., 2014-01-10 While the Monitor and Merrimack are the most famous of the Civil War ironclads the Confederacy had another ship in its flotilla that carried high hopes and a metal hull The makeshift CSS Arkansas completed by Lt Isaac Newton Brown and manned by a mixed crew of volunteers gave the South a surge of confidence when it launched in 1862 For 28 days of summer the ship engaged in five battles with Union warships falling victim in the end only to her own primitive engines The saga of the CSS Arkansas represents the last significant Rebel naval activity in the war's Western theater

The Fight for the Yazoo, August 1862-July 1864 Myron J. Smith, Jr., 2014-01-10 Following the loss of the CSS Arkansas in early August 1862 Union and Confederate eyes turned to the Yazoo River which formed the developing northern flank for the South's fortress at Vicksburg Mississippi For much of the next year Federal efforts to capture the citadel focused on possession of that stream Huge battles and mighty expeditions were launched

Chickasaw Bayou Yazoo Pass Steele's Bayou from that direction but the city guarded by stout defenses swamps and motivated defenders could not be turned Finally Union troops ran down the Mississippi and came up from the south and the river defenses and the bastion itself were taken from the east From July 1863 to August 1864 sporadic Confederate resistance necessitated continued Federal attention This book recounts the whole story

The Timberclads in the Civil War Myron J. Smith, Jr., 2008-10-07 In the most detailed history ever of Union warships on the western waters of the Civil War the author recounts the exploits of the timberclad ships Lexington Tyler and Conestoga Converted to warships from commercial steamboats at the beginning of the conflict the three formed the core of the North's Western Flotilla later the Mississippi Squadron The book focuses on the activities of these wooden warriors while providing context for the greater war including accounts of their famous commanders their roles in both large and small battles ship to ship combat and support for the armies of Gen U S Grant and Gen William T Sherman

After Vicksburg Myron J. Smith, Jr., 2021-11-01 This is the first published comprehensive survey of naval action on the Mississippi River and its tributaries for the years 1863 1865 Following introductory reviews of the rivers and of the U S Navy's Mississippi Squadron chronological Federal naval participation in various raids and larger campaigns is highlighted as well as counterinsurgency economical support and control and logistical protection The book includes details on units locations and activities that have been previously underreported or ignored Examples include the birth and function of the Mississippi Squadron's 11th District the role of U S Army gunboats and the war on the Upper Cumberland and Upper Tennessee Rivers The last chapter details the coming of the peace in 1865 and the decommissioning of the U S river navy and the sale of its gunboats

Confederate Raider 1861-65 Angus Konstam, 2021-06-24 The Confederate states adopted radical solutions to counter the naval superiority of their opponents One of the more successful solutions they adopted was the use of commerce raiders This book describes the reasons which forced the Confederates to resort to commerce raiding and outlines the way in which these craft were converted or specially built to perform their role It details not only the way these craft were operated and manned but also their brutal attacks daring escapes and climatic battles against the large numbers of Union warships forced to hunt them down

American Civil War Railroad Tactics Robert R. Hodges Jr., Robert R. Hodges, 2009-08-18 Osprey's study of the battles fought on America's railroads during the Civil War 1861 1865 The American Civil War was the world's first full blown railroad war The well developed network in the North was of great importance in serving the Union army's logistic needs over long distances and the sparser resources of the South were proportionately even more important Both sides invested great efforts in raiding and wrecking enemy railroads and defending and repairing their own and battles often revolved around strategic rail junctions Robert Hodges reveals the thrilling chases and pitched battles that made the railroad so dangerous and resulted in a surprisingly high casualty rate He describes the equipment and tactics used by both sides and the vital supporting elements maintenance works telegraph lines fuel and water supplies as well as garrisoned blockhouses

to protect key points Full color illustrations bring the fast paced action to life in this fascinating read a must have volume for both rail and Civil War enthusiasts *Mississippi River Gunboats of the American Civil War 1861-65* Angus Konstam,2013-01-20 At the start of the American Civil War neither side had warships on the Mississippi River and in the first few months both sides scrambled to gather a flotilla converting existing riverboats for naval use These ships were transformed into powerful naval weapons despite a lack of resources trained manpower and suitable vessels The creation of a river fleet was a miracle of ingenuity improvisation and logistics particularly for the South This illustrated history describes their design development and operation throughout the American Civil War **The British National Bibliography** Arthur James Wells,2004 Confederate Blockade Runner 1861-65 Angus Konstam,2022-05-26 The lifeblood of the Confederacy the blockade runners of the Civil War usually began life as regular fast steam powered merchant ships They were adapted for the high speed dashes through the Union blockade which closed off all the major Southern ports and for much of the war they brought much needed food clothing and weaponry to the Confederacy This book traces their operational history including the development of purpose built blockade running ships and examines their engines crews and tactics It describes their wartime exploits demonstrating their operational and mechanical performance whilst examining what life was like on these vessels through accounts of conditions on board when they sailed into action **Lincoln's Navy** Donald L. Canney,1998 This is the first major study to explore in detail all aspects of Lincoln s Union Navy **The Union Army 1861-65 (2)** Ron Field,2024-05-23 This book describes and illustrates the uniforms and personal equipment of the troops fielded by the Eastern and New England states that fought for the Union during the American Civil War During 1861 65 the United States Army pitted against the forces of the fledgling Confederacy fought to defend the Union during five long years of bitter conflict This volume the second in a three part study chronicles the clothing insignia and gear worn by the soldiers fielded by 12 of the states that fought to preserve the Union While uniforms conforming to standard Union Army patterns were widely issued to these troops some wore distinctive items of dress or insignia and a wide variety of weapons were carried Ron Field an acknowledged authority on US military apparel reveals how the Eastern and New England states clothed and equipped their regiments during the Civil War Eight plates of original artwork showing officers and enlisted men of the Union Army are complemented by photographs of soldiers and items of uniform from a variety of sources **Contract & Specifications [sic] for Building the Union Ironclad Gunboat U.S.S. Cairo, 1861** United States. Navy Department,James Buchanan Eads,19?? *Union Infantryman 1861-65* John Langellier,2013-08-20 A Union supporter once said What is a man s life worth if our glorious union is to be shattered by traitors President Lincoln s volunteers and conscripted soldiers expanded the permanent Union army to include 1 700 regiments of foot soldiers during the course of the war Those who became part of Mr Lincoln s Army came from various social and economic conditions and they documented their day to day life in diaries letters and memoirs Drawing on these narratives contemporary photographs and meticulous

archival research this book provides a vivid account of the common Union infantryman from recruitment and training to his experiences on the battlefield

The Union Army 1861-65 (2) Ron Field, 2024-05-21 This book describes and illustrates the uniforms and personal equipment of the troops fielded by the Eastern and New England states that fought for the Union during the American Civil War During 1861-65 the United States Army pitted against the forces of the fledgling Confederacy fought to defend the Union during five long years of bitter conflict This volume the second in a three part study chronicles the clothing insignia and gear worn by the soldiers fielded by 12 of the states that fought to preserve the Union While uniforms conforming to standard Union Army patterns were widely issued to these troops some wore distinctive items of dress or insignia and a wide variety of weapons were carried Ron Field an acknowledged authority on US military apparel reveals how the Eastern and New England states clothed and equipped their regiments during the Civil War Eight plates of original artwork showing officers and enlisted men of the Union Army are complemented by photographs of soldiers and items of uniform from a variety of sources

The Union Restored T. Harry Williams, The Editors of LIFE, 1963

My Memoirs of the Military History of the State of New York During the War for the Union, 1861-65 (Classic Reprint) Silas W. Burt, 2017-10-11 Excerpt from My Memoirs of the Military History of the State of New York During the War for the Union 1861-65 As in most of the events and transactions mentioned I had a part their recital may have a personal or even egotistical avor but this I assume is so natural or incidental to such memoirs as not to require apology I cannot determine whether I shall be able to continue the memoirs to the close Of the war The later period is not SO impor tant or interesting except as to the draft riots Of July 1863 and to the extraordinary and excessive expenditures Of bounties to fill quotas Of localities or furnish substitutes for drafted men Very few regimental or other organizations were begun or completed during this later period and most Of the enlistments were for the recruitment Of regiments in the field About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
