Useless Landscape Or A Guide For Boys Da Powell:

Useless Landscape, or A Guide for Boys D. A. Powell, 2014-11-18 Winner of the 2012 National Book Critics Circle Award for Poetry I have this rearrangement to make symbolic death my backward glance The way the past is a kind of future leaning against the sporty hood from Bugcatching at Twilight In Useless Landscape or A Guide for Boys D A Powell s fifth book of poetry the rollicking line he has made his signature becomes the taut more discursive means to describing beauty singing a dirge directing an ironic smile or questioning who in any given setting is the instructor and who is the pupil This is a book that explores the darker side of divisions and developments which shows how the interstitial spaces of boonies backstage bathhouse or bar are locations of desire With Powell s witty banter emotional resolve and powerful lyricism this collection demonstrates his exhilarating range

I Felt a Funeral, In My Brain Will Walton, 2018-05-29 From the author of the poignant and provocative debut Anything Could Happen comes an astonishing novel in verse about love death and the poetry we find when we most need it How do you deal with a hole in

your life Do you turn to poets and pop songs Do you dream Do you try on love just to see how it fits Do you grieve If you re Avery you do all of these things And you write it all down in an attempt to understand what s happened and is happening to you I Felt a Funeral In My Brain is an astonishing novel about navigating death and navigating life at a time when the only map you have is the one you can draw for yourself No House to Call My Home Ryan Berg,2015-08-25 Underemployed and directionless Ryan Berg took a job in a group home for disowned and homeless LGBTQ lesbian gay bisexual transgender and questioning teenagers His job was to help these teens discover their self worth get them back on their feet earn high school degrees and find jobs But he had no idea how difficult it would be and the complexities that were involved with coaxing them away from dangerous sex work and cycles of drug and alcohol abuse and helping them heal from years of abandonment and abuse In No House to Call My Home Ryan Berg tells profoundly moving intimate and raw stories from the frontlines of LGBTQ homelessness and foster care In the United States 43% of homeless youth were forced out by their parents because of their sexual orientation or gender identity Berg faced young people who have battled extreme poverty experienced unbalanced opportunities structural racism and homophobia He found himself ill equipped to help in part because they are working within a system that paints in broad strokes focused on warehousing young people rather than helping them build healthy relationships with adults that could lead to a successful life once they age out of foster care Tin House Magazine: Sex, Again?: Vol. 18, No. 1 (Tin House Magazine) Rob Spillman,Holly MacArthur,2016-09-13 Sex Again Didn t we just go there Well actually it has been twelve years since Tin House had sex or an issue with sex that is a sex issue I think you get what we re after Featuring fiction nonfiction and poetry from established writers and new voices Issue 69 will try hard to keep it exciting and fresh even after all these years **Broken Ground** William Logan,2021-05-11 In **Broken Ground** William Logan explores the works of canonical and contemporary poets rediscovering the lushness of imagination and depth of feeling that distinguish poetry as a literary art The book includes long essays on Emily Dickinson s envelopes Ezra Pound s wrestling with Chinese Robert Frost s letters Philip Larkin s train station and Mrs Custer s volume of Tennyson each teasing out the depths beneath the surface of the page **Broken Ground** also presents the latest run of Logan s infamous poetry chronicles and reviews which for twenty five years have bedeviled American verse Logan believes that poetry criticism must be both adventurous and forthright and that no reader should settle for being told that every poet is a genius Among the poets under review by the preeminent poet critic of his generation and most hated man in American poetry are Anne Carson Jorie Graham Paul Muldoon John Ashbery Geoffrey Hill Louise Gl ck John Berryman Marianne Moore Frederick Seidel Les Murray Yusef Komunyakaa Sharon Olds Johnny Cash James Franco and the former archbishop of Canterbury Logan s criticism stands on the broken ground of poetry soaked in history and soiled by it These essays and reviews work in the deep undercurrents of our poetry judging the weak and the strong but finding in weakness and strength what endures The Cambridge Companion to Twenty-First-Century American Poetry Timothy Yu,2021-03-11 A new poetic century demands a

new set of approaches This Companion shows that American poetry of the twenty first century while having important continuities with the poetry of the previous century takes place in new modes and contexts that require new critical paradigms Offering a comprehensive introduction to studying the poetry of the new century this collection highlights the new multiple centers of gravity that characterize American poetry today Essays on African American Asian American Latinx and Indigenous poetries respond to the centrality of issues of race and indigeneity in contemporary American discourse Other essays explore poetry and feminism poetry and disability and queer poetics The environment capitalism and war emerge as poetic preoccupations alongside a range of styles from spoken word to the avant garde and an examination of poetry's place in the creative writing era

Hao Ye Chun,2021-09-07 Longlisted for the 2022 Andrew Carnegie Medal for Excellence in Fiction An extraordinary debut collection of short stories by a three time Pushcart Prize winner following Chinese women in both China and the United States who turn to signs and languages as they cross the alien landscapes of migration and motherhood The most common word in Chinese perhaps a ubiquitous syllable people utter and hear all the time which is supposed to mean good But what is hao in this world where good books are burned good people condemned meanness considered a good trait violence good conduct People say hao when their eyes are marred with suspicion and dread They say hao when they are tattered inside By turns reflective and visceral the stories in Hao examine the ways in which women can be silenced as they grapple with sexism and racism and how they find their own language to define their experience In Gold Mountain a young mother hides above a ransacked store during the San Francisco anti Chinese riot of 1877 In A Drawer an illiterate mother invents a language through drawing And in Stars a graduate student loses her ability to speak after a stroke Together these twelve stories create an unsettling hypnotic collection spanning centuries in which language and children act simultaneously as tethers and casting lines the reasons and the tools for moving forward after trauma You ll come away from this beautiful book changed Julia Fine author of The Upstairs House
