Spirit and Power William W. Menzies, Robert P. Menzies, 2011-05-03 The times have long passed when Pentecostals were viewed as Protestantism's untouchables Today the shock waves from Azusa Street have influenced countless Evangelicals worldwide But if dialogue between Pentecostals and Evangelicals has awakened within the latter a thirst for the power of God's Spirit it has challenged Pentecostals to examine their theology more deeply in the light of his Word Just how firm is the biblical foundation on which they stand *Spirit and Power* provides a cutting edge look at Pentecostal theology It addresses the concern expressed by its authors and echoed throughout charismatic churches today Although our Pentecostal forefathers intuitively grasped the correlation between the reality they experienced and the promise of Acts 1:8 they did not always articulate their theology in a manner that was convincing to other believers committed to the authority of Scripture In response theologians William and Robert Menzies explore Pentecostalism in a scholarly and current light *Spirit and Power* is no mere paraphrase of dated approaches It is a fresh and penetrating look at the whys and wherefores of Pentecostal doctrine that sets a new standard for Spirit-filled theology Whatever your persuasion may be as a Christian this book's

thoughtfulness balance and biblical integrity will help you appreciate more fully the strengths of the Pentecostal stance Laying the groundwork for an accurate understanding of Luke s writings in particular the authors help you grasp the foundations of Pentecostal theology from the standpoints of history hermeneutics and exegesis Then in Part Two they give you an in depth look at specific Pentecostal concerns the baptism of the Holy Spirit as a blessing subsequent to salvation evidential tongues signs and wonders healing in the atonement and more You ll deepen your understanding of the basis for Pentecostal beliefs And you ll gain a feel for the mutually beneficial dialogue that continues between Pentecostals and Evangelicals today

Thomas Valentine,2015-01-27 The Festival of Young Preachers is a trans denominational one of a kind event designed to showcase and encourage young people who aspire to be preachers of the Gospel Questions of the Soul celebrates the preaching ministry of the millennial generation with its collection of sermons preached during the 2014 Festival **I Am Not a Victim, I'm a Ministry Gift** Linda J. Waiters,Evangelist Linda J. Waiters,2005 This book a testimony of the author s life experiences permitted by God is simply God s predestined release of just one of many tools specifically designed to awaken His Church from its state of

apostasy As the author unveils Satan's strategic plan to abort her God-ordained destiny to preach the fundamentals of apostasy which not only worked against her but continue to work against the true Church of today are also revealed Evangelist Waiters meticulously contrasts the activation of spiritual gifts such as dreams of Hell in her childhood versus satanical attacks like molestation racial struggles voodoo betrayals addictions promiscuity and abortion designed to destroy her even before she received Christ and recognized the call on her life God delivered her from the jaws of death several times After receiving Christ and being gloriously baptized in the Holy Ghost she records experiences in church which promoted Satan's plan of destruction more so than God's plan of redemption She shares events which ultimately led her back into cycles of destruction including internet dating Nevertheless her testimony serves as God's heart cry and warning to clergy worldwide against the mishandling of His children seeking Him as their refuge Eventually God's grace brings her to the realization that she is not the vessel of dishonor she resigned herself to be but that she was systematically being trained and qualified to sound an alarm to the Body of Christ Consequently this book exposes the workings of the spirit of Jezebel which operates hand in hand with apostasy Satanic snares and contracts are exposed along with explanations as to why Believers remain bound and ineffective through the discussion of false prophets greed tradition and idolatry The author concludes by extending hope to readers through the discussion of salvation and why we need Jesus Christ to save us

Discovering the Revelations of God Thomas Idler, 2024-05-29 If you're wondering where God is and whether He's real consider the obvious If He is real wouldn't He reveal Himself and give us the answers we're looking for Surely those answers should be right in front of us Even though God has given us nine witnesses of His existence the world seems to have come up with alternative explanations How would you interpret these witnesses Will you follow what the world says or instead acknowledge what each witness says about God God revealed Himself to me face to face although I didn't realize it right away I saw how genuine God is how pure His heart is and how transparent His message is When I had my God moment everything got set into motion and that's why I wrote this book You are precious to God and you are precious to me God will reveal Himself to you throughout your life and hopefully this book will help you to more clearly understand Him
