

The book cover features a monochromatic, reddish-orange illustration. In the background, a large, dark silhouette of a soldier wearing a helmet with a Croatian checkerboard emblem is prominent. In the foreground, a group of people is depicted in a somber scene. A man on the left sits at a table, looking down. A woman in the center, wearing a headscarf, holds a long, thin object, possibly a stick or a piece of wood. To her right, a man in a hat and uniform holds a scythe. Another man on the far right looks on. The overall mood is one of tragedy and conflict.

Polish Literature and National Identity Dariusz Skórczewski, 2020 A postcolonial study of Polish literature from Romanticism to the twenty first century *Making Fascism in Sweden and the Netherlands* Nathaniël D. B. Kunkeler, 2021-09-09 There was no representative fascist movement during interwar Europe and there is much to be learned from where fascism failed relatively speaking So Nathaniël D B Kunkeler skilfully argues in *Making Fascism in Sweden and the Netherlands* the first in depth analysis of Swedish and Dutch fascism in the English language Focusing on two peripheral and therefore often overlooked fascist movements the Swedish National Socialist Workers Party and the Dutch National Socialist Movement this sophisticated study de centres contemporary fascism studies by showing how smaller movements gained political foothold in liberal democratic regimes From charismatic leaders and the rallies they held to propaganda apparatus and mythopoeic props seized by ordinary people *Making Fascism in Sweden and the Netherlands* analyses the constructs and perceptions of fascism to highlight the variegated nature of the movement in Europe and shine a spotlight on its performative process Drawing on a wealth of archival material and using a highly innovative methodology Kunkeler provides a nuanced analysis of European fascism which allows readers to rediscover the experimental character of far right politics in interwar Europe

1989 James Mark, Bogdan C. Iacob, Tobias Rupprecht, Ljubica Spaskovska, 2019-08-29 Placing Eastern Europe in a global context this provides new perspectives on the political economic and cultural transformations of the late twentieth century **Fascism through History** Patrick G. Zander, 2020-10-19 While fascism perhaps reached its peak in the regimes of Hitler and Mussolini it continues to permeate governments today This reference work explores the history of fascism and how it has shaped daily life up to the present day Perhaps the most notable example of Fascism was Hitler's Nazi Germany Fascists aimed to control the media and other social institutions and Fascist views and agendas informed a wide range of daily life and popular culture But while Fascism flourished around the world in the decades before and after World War II it continues to shape politics and government today This reference explores the history of Fascism around the world and across time with special attention to how Fascism has been more than a political philosophy but has instead played a significant role in the lives of everyday people Volume one begins with a introduction that surveys the history of Fascism around the world and follows with a timeline citing key events related to Fascism Roughly 180 alphabetically arranged reference entries follow These entries discuss such topics as

conditions for working people conditions for women Fascist institutions that regulated daily life attitudes toward race physical culture the arts and more Primary source documents give readers first hand accounts of Fascist thought and practice A selected bibliography directs users to additional resources

The "New Man" in Radical Right Ideology and Practice, 1919-45 Jorge Dagnino, Matthew Feldman, Paul Stocker, 2018-01-25 Bringing together an expert group of established and emerging scholars this book analyses the pervasive myth of the new man in various fascist movements and far right regimes between 1919 and 1945 Through a series of ground breaking case studies focusing on countries in Europe but with additional chapters on Argentina Brazil and Japan The New Man in Radical Right Ideology and Practice 1919 45 argues that what many national forms of far right politics understood at the time as a so called anthropological revolution is essential to understanding this ideology s bio political often revolutionary dynamics It explores how these movements promoted the creation of a new ideal human what this ideal looked like and what this things tell us about fascism s emergence in the 20th century The years after World War One saw the rise of regimes and movements professing totalitarian aims In the case of revolutionary radical right movements these totalising goals extended to changing the very nature of humanity through modern science propaganda and conquest At its most extreme one of the key aims of fascism the most extreme manifestation of radical right politics between the wars was to create a new man Naturally this manifested itself in different ways in varying national contexts and this volume explores these manifestations in order to better comprehend early 20th century fascism both within national boundaries and in a broader transnational context

The Serbian Right-Wing Parties and Intellectuals in the Kingdom of Yugoslavia, 1934-1941 Драган Бакић, 2022-01-01

A Marketplace Without Jews Rory Yeomans, 2024-11-11 This book examines the economics of everyday life and the Final Solution in Southeastern Europe specifically the role that the mass confiscation of Jewish property and exclusion of Jews as well as other undesired population groups from the national marketplace in Southeastern Europe played in transforming economic life and social relations It aims to understand how ordinary people in the region responded as beneficiaries bystanders perpetrators rescuers and above all victims to Aryanization and how regimes and governments adapted its basic principles to their specific national contexts and ideological and ethnic agendas Aryanization appeared in some of its most radical accelerated and yet idiosyncratic forms in Southeastern Europe representing a staging post or parallel process on the journey to the Final Solution At the same time it represented a modernizing project through which states on the periphery of Hitler s new Europe could not only catch up with the rest of the continent but also seek to gain legitimacy among their own citizens by using systems of mass robbery to satisfy consumer demand and aspirations of social mobility in economies of want and scarcity This volume is aimed at scholars and students of the Second World War and European fascism genocide and occupation politics Jewish studies and Southeastern Europe

A History of Yugoslavia Marie-Janine Calic, 2019-02-15 Why did Yugoslavia fall apart Was its violent demise inevitable Did its population simply fall victim to the lure of nationalism How did

this multinational state survive for so long and where do we situate the short life of Yugoslavia in the long history of Europe in the twentieth century A History of Yugoslavia provides a concise accessible comprehensive synthesis of the political cultural social and economic life of Yugoslavia from its nineteenth century South Slavic origins to the bloody demise of the multinational state of Yugoslavia in the 1990s Calic takes a fresh and innovative look at the colorful multifaceted and complex history of Yugoslavia emphasizing major social economic and intellectual changes from the turn of the twentieth century and the transition to modern industrialized mass society She traces the origins of ethnic religious and cultural divisions applying the latest social science approaches and drawing on the breadth of recent state of the art literature to present a balanced interpretation of events that takes into account the differing perceptions and interests of the actors involved Uniquely Calic frames the history of Yugoslavia for readers as an essentially open ended process undertaken from a variety of different regional perspectives with varied composite agenda She shuns traditional deterministic explanations that notorious Balkan hatreds or any other kind of exceptionalism are to blame for Yugoslavia s demise and along the way she highlights the agency of twentieth century modern mass society in the politicization of differences While analyzing nuanced political and social economic processes Calic describes the experiences and emotions of ordinary people in a vivid way As a result her groundbreaking work provides scholars and learned readers alike with an accessible trenchant and authoritative introduction to Yugoslavia s complex history

Black Aliveness, or A Poetics of Being Kevin Quashie, 2021-02-05 In *Black Aliveness or A Poetics of Being* Kevin Quashie imagines a Black world in which one encounters Black being as it is rather than only as it exists in the shadow of anti Black violence As such he makes a case for Black aliveness even in the face of the persistence of death in Black life and Black study Centrally Quashie theorizes aliveness through the aesthetics of poetry reading poetic inhabitation in Black feminist literary texts by Lucille Clifton Audre Lorde June Jordan Toni Morrison and Evie Shockley among others showing how their philosophical and creative thinking constitutes worldmaking This worldmaking conceptualizes Blackness as capacious relational beyond the normative terms of recognition Blackness as a condition of oneness Reading for poetic aliveness then becomes a means of exploring Black being rather than nonbeing and animates the ethical question how to be In this way Quashie offers a Black feminist philosophy of being which is nothing less than a philosophy of the becoming of the Black world

Screening the Red Army Faction Christina Gerhardt, 2018-07-12 *Screening the Red Army Faction* Historical and Cultural Memory explores representations of the Red Army Faction RAF in print media film and art locating an analysis of these texts in the historical and political context of unfolding events In this way the book contributes both a new history and a new cultural history of post fascist era West Germany that grapples with the fledgling republic s most pivotal debates about the nature of democracy and authority about violence its motivations and regulation and about its cultural afterlife Looking back at the history of representations of the RAF in various media this book considers how our understanding of the Cold War era of the long sixties and of the RAF is created and re created through
