

The book cover features a dark, textured background. At the top, several large, smooth turquoise stones in various shades of blue and green are arranged. In the center, a silver-colored metal tray holds a collection of small, oval-shaped turquoise stones, each set in a metal bezel. Below the tray, the title 'Turquoise Unearthed' is written in a large, white, serif font. Underneath the title, the subtitle 'An Illustrated Guide' is written in a smaller, italicized, white serif font. At the bottom, more turquoise stones of various shapes and sizes are scattered, including some with intricate patterns and others that are smooth. The authors' names, 'Joe Dan Lowry' and 'Joe P. Lowry', are printed in a small, white, serif font at the bottom center.

Lynch, Bob Lynch, 2025-03-11 Explore the beauty and history of turquoise one of the most celebrated and treasured gemstones of ancient and modern times Revered around the world turquoise is a mineral with two histories that of its formation and that of the people who have mined traded and treasured it Turquoise is an icon of ancient civilizations and especially of the desert regions where it most famously appears Uncover the history and the secrets of this coveted gemstone in Turquoise Written by Dan R Lynch with Bob Lynch the authors of several books about rocks and minerals this is the definitive guide to the sky blue stone Begin by learning the natural history of turquoise from how it forms to where it s found Dan and Bob present tips for finding and identifying turquoise and they introduce naturally occurring and human made turquoise look alikes Next go in depth on the human history of turquoise You ll learn all about buying and caring for turquoise and you can glimpse our future with this gemstone of the American Southwest Whether you re a rockhound or someone who simply appreciates nature s wonders grab this book and get to know the storied mineral whose very name is a symbol of color Book Features Summary of the fascinating natural history Expert advice on how to find and identify turquoise Full color photographs and illustrations Suggestions on what to do with turquoise and how much it s worth **Silk Roads Papers** UNESCO, 2024-05-23 **Hiking to History** Robert Julyan, 2016-05-01 With more than 13 000 years of human habitation New Mexico offers a wealth of historic sites located on vast tracts of land well off the beaten path As author Robert Julyan observes not much history has been made from a speeding car and locations that have to be reached on foot are almost always less altered by parking lots visitor centers roadways or traffic noise Written for both outdoor enthusiasts and vicarious travelers Hiking to History describes the historical significance behind these publically accessible sites and includes GPS coordinates to enable readers to find each place Ranging from the state s principal Civil War battlefield at Glorieta to the dirt road where a broken wagon wheel led two young artists to settle in Taos in 1898 the scenes provide an up close experience of the state s remarkable past

Extreme Collecting Graeme Were, J. C. H. King, 2012-03-01 By exploring the processes of collecting which challenge the bounds of normally acceptable practice this book debates the practice of collecting difficult objects from a historical and contemporary perspective and discusses the acquisition of objects related to war and genocide and those purchased from the internet as well as considering human remains mass produced objects and illicitly traded antiquities The aim is to apply a critical approach to the rigidity of museums in maintaining essentially nineteenth century ideas of collecting and to move towards identifying priorities for collection policies in museums which are inclusive of acquiring difficult objects Much of the book engages with the question of the limits to the practice of collecting as a means to think through the implementation of
