Twelve Steps To Destruction Codependencyrecovery Heresies:

12 Steps to Destruction Martin Bobgan, Deidre Bobgan, 1991 12 Steps to Recovery is for those who are suffering from the trials of life and for those who want to help It is for those who are thinking about joining a recovery group or entering a treatment center for codependency or addiction It is for those who have tried Twelve Step programs and recovery treatment centers and found them lacking It is also for those who are currently in such programs And finally it is to encourage Christians who offer such programs to return to the faith once delivered to the saints **READABLE THOUGHT PROVOKING CONTROVERSIAL AND CHALLENGING**

The Oxford Group & Alcoholics Anonymous Dick B., 1998 A A s life changing program derived almost exclusively from the precepts of A First Century Christian Fellowship also known as the Oxford Group of which A A was an integral part in its early years This book is the only study devoted exclusively specifically to the Oxford Group origins ideas principles practices specific impact on A A its Big Book its Twelve Steps *Anonymous Christians* Herbert E. Hudson, 2017-11-29 This book explores the relationship of clergy to Twelve Step programs Field research of pastors in the Florida Keys found that they are unsure if addiction is a disease or a sin and whether the Twelve Steps are based on Christianity Lessons learned include the validity of both traditional Twelve Step programs such as Alcoholics Anonymous and Christ centered programs such as Celebrate Recovery the coherence of sin and disease explanations of addiction and the significance of modern addiction theory The specific outcome of this study is the development of a course syllabus for clergy on addiction recovery through Twelve Step philosophy **Generous Divine Love** Prof. Kenneth J. Collins, 2025-09-16 Discover the heart of Wesleyan theology Explore the heart of Wesleyan theology through an engaging and accessible narrative that speaks to both heart and mind This book shares John Wesley s teachings where the themes of inclusion love and unity take center stage The generous even lavish nature of John Wesley s practical theology reveals the freedom and outgoing love of the divine Being who calls forth people to overcome the divisions and tribalism of group life This gracious call reveals the very universality of the gospel and has the cumulative effect of praise arising of a doxological celebration of a God of holy love who is the fount of it all In Generous Divine Love you ll find it approachable yet deeply enriching offering just the right balance of depth and clarity *The Books Early AAs Read for Spiritual Growth* Dick B., 1998 The most exhaustive bibliography with brief summaries of all the books known to have been read and recommended for spiritual growth by early AAs in Akron and on the East Coast **The Conversion Of Bill W.** Dick B., 2006 This is a book unlike any of the many recent biographies of A A co founder William Griffith Wilson known as Bill W It is filled with information about Bill s religious education experiences and beliefs from childhood forward Thus Bill s knowledge of his grandfather Willie s conversion on Mount Aeolus and deliverance from alcoholism the involvement of Bill s grandparents the Wilsons and the Griffiths in the life of the little East Congregational Church on the lawn between the two families houses the reading of the Bible by Bill s grandfather Fayette Griffith and by Bill and his boyhood friend Mark Bill s

attendance at the Congregational Sunday School and his attendance at Temperance of revival meetings his five yes five self described spiritual experiences including his decision for Christ at Calvary Rescue Mission and his hot flash conversion experience at Towns Hospital his conversations with his famous doctor William D Silkworth about the Great Physician Jesus Christ and cure of alcoholism through Christ Bill s extensive involvement with the Oxford Group and particularly Rev Sam Shoemaker and Bill s intensive involvement in prayer Bible study the use of devotionals and seeking of guidance with Dr Bob and Anne Smith at the Smith Home in Akron particularly in the summer of 1935 All these and more are told in this exciting and little known story about Wilson and God Was Bill converted to Christ Did Bill believe in the Creator Did the Creator have an impact on Alcoholics Anonymous through Bill Wilson Did the Hand of the Creator touch the lives of Wilson and of the A A Fellowship Your most detailed questions and the answers about these subject have never been addressed by A A historians in any depth But A A historian and writer Bible student retired attorney and recovered AA Dick B presents this his thirtieth published title as a crowning historical piece on A A church religion God Jesus Christ and the Bible as they really existed at and before the founding of Alcoholics Anonymous on June 10 1935

Cured Dick B.,2006 Early AAs were cured of Alcoholism For a decade the pioneers said so Alcoholism can still be cured and this book explores in detail the myth that revisionists therapists and treatment folk have perpetuated while ignoring that the original cures were achieved by reliance on the Creator The whole meaning history and detours of the cure situation are thoroughly explored

Why Can't Church Be More Like an AA Meeting? Stephen R. Haynes,2021-10-26 Do Christians need recovery Or is recovery something needed by the church itself Addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else But because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction Christians tend to seek recovery from these conditions in Twelve Step fellowships Once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can t church be more like an AA meeting Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve Step fellowships Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity He shows that while AA eventually separated from the Christian parachurch movement out of which it emerged it retained aspects of Christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability Haynes encourages Christians to reclaim these distinctive elements of the Twelve Step movement in the process of recovering church He argues that this process must begin with he calls Step 0 which as he knows from personal experience can be the hardest step the admission that despite appearances we are not fine

Beckford,2017-12-14 There are many different ways in which minority religions and counselling may interact In some cases there can be antagonism between counselling services and minority religions with each suspecting they are ideologically threatened by the other but it can be argued that the most common relationship is one of ignorance mental health professionals do not pay much attention to religion and often do not ask or consider their client s religious affiliation To date the understanding of this relationship has focused on the anti cult movement and the perceived need for members of minority religions to undergo some form of exit counselling In line with the series this volume takes a non judgemental approach and instead highlights the variety of issues religious groups and counselling approaches that are relevant at the interface between minority religion and counselling The volume is divided into four parts Part I offers perspectives on counselling from different professions Part II offers chapters from the field leaders directly involved in counselling former members of minority religions Part III offers unique personal accounts by members and former members of a number of different new religions while Part IV offers chapters on some of the most pertinent current issues in the counselling minority religions fields written by new and established academics In every section the volume seeks to explore different permutations of the counsellor client relationship when religious identities are taken into account This includes not only secular therapists counselling former members of religion but the complexities of the former member turned counsellor as well as counselling practised both within religious movements and by religious movements that offer counselling services to the outside world

Words to the Weary, Form #17.064 Brook Stockton, 2023-08-14 Biblical encouragement for those in the midst of trials [The Quest for the Inner Human](#) Steven H. Propp, 2013-12-03 Psychology means the study of the soul it is the social science concerned with investigating who we are why we have certain feelings and why we do the things we do Are we no more than a vast assembly of nerve cells and their associated molecules Is biology our genetic inheritance destiny or does social upbringing play a crucial role What are the roles played by Nature and by Nurture Are we purely physical beings or is there an aspect that can be called spiritual This thought provoking novel takes you on a journey of intellectual and emotional exploration considering along the way questions that weve all asked ourselves such as Is it true that we only use 10% of our brains Does playing classical music for infants increase their intelligence Do crime rates go up during a full moon Can hypnosis or post hypnotic suggestions make us do something we wouldnt normally do Does subliminal advertising influence us to buy products Are our memories stored indelibly almost like a tape recorder What causes memory lapses as we age Can repressed traumatic memories be recovered through hypnosis Do some people have multiple personalities How can I tell if someone has a neurosis or a psychosis Do men

have an inner feminine side and women an inner masculine Are there innate psychological differences between males and females The four main characters in this book will guide you through a diverse and sometimes bewildering world of differing approaches to answering such questions such as Freudian Jungian and Adlerian Humanistic Existential and Transpersonal as well as Cognitive Emotive and Behaviorist Along the way you will learn about the developmental stages proposed by psychologists such as Erikson Kohlberg Piaget and Fowler and even explore some of the questions currently being asked by both neuroscientists and philosophers of the mind Start reading to begin your study of our innermost selves **The Cure of Souls** R. J. Rushdoony, 2009-11-16 Hypocrisy replaces virtue when men cover their sins rather than confess them to God This is all too common when men do not preach and practice a Biblical doctrine of confession The challenge is first to restore the meaning of confession as taught in the Scriptures As long as confession is seen as a Romanist doctrine we have no hope of recovering this vital aspect of Christianity In this path breaking volume R J Rushdoony examines the Biblical teaching on confession and sets it over against the errors of Romanism and the neo Freudianism of modern Christian counseling Despite the subject matter this book is remarkably readable and is sure to empower both clergy and laity as they discover the powerful tool of Biblical confession
