Morgan, 2000-08-10 First published as part of the best selling The Oxford Illustrated History of Britain Kenneth Morgan's Very Short Introduction to Twentieth Century Britain examines the forces of consensus and of conflict in twentieth century Britain The account covers the trauma of the First World War and the social divisions of the twenties fierce domestic and foreign policy debates in the thirties the impact of the Second World War for domestic transformation popular culture and the loss of empire the transition from the turmoil of the seventies to the aftermath of Thatcherism and the advent of New Labour Throughout cultural and artistic themes are woven into the analysis along with the distinct national experiences of Scotland Wales and Ireland The profound tension that shook the United Kingdom are juxtaposed against equally deep forces for stability cohesion and a sense of historic identity ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Nineteenth-Century Britain: A Very Short Introduction Christopher Harvie, Henry Colin Gray Matthew, 2000-08-10 Here is a sharp but subtle account of one hundred years of remarkable economic and social change and an even more remarkable political stability Britain in 1789 was overwhelmingly rural agrarian and almost half Celtic By 1914 when it faced its greatest test since the defeat of Napoleon it was largely urban and English The authors highlight the forces behind Britain's rise to its imperial zenith The effects of the Industrial Revolution caused cities to swell enormously London for example grew from about 1 million people to over 6 million Abroad the British Empire was reaching its apex while at home the world

came to marvel at the Great Exhibition *Medieval Britain: A Very Short Introduction* John Gillingham, Ralph A. Griffiths, 2000-08-10 First published as part of the best selling The Oxford Illustrated History of Britain John Gillingham and Ralph A Griffiths Very Short Introduction to Medieval Britain covers the establishment of the Anglo Norman monarchy in the early Middle Ages through to England's failure to dominate the British Isles and France in the later Middle Ages Out of the turbulence came stronger senses of identity in Scotland Wales and Ireland Yet this was an age too of growing definition of Englishness and of a distinctive English cultural tradition ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *Russian Literature: A Very Short Introduction* Catriona Kelly, 2001-08-23 This text explores the place and importance of literature of all sorts in Russian culture and aims to answer the questions How and when did a Russian national literature come into being and What shaped its creation After the Imperial Turn Antoinette Burton, 2003-05-29 Essays in this collection assess the nation as a subject of disciplinary inquiry considering both its enduring relevance and its inadequacy as an analytical category for studying history literature and culture Moving Spaces and Places Beitske Boonstra, Teresa Cutler-Broyles, Stefano Rozzoni, 2022-08-09 Moving Spaces and Places is a cross disciplinary collection about movement as a transformative experience showing how movement changes affect and percept of spaces and place and solidifies space into meaningful places The History of British Literature on Film, 1895-2015 Greg M. Colón Semenza, Bob Hasenfratz, Robert J. Hasenfratz, 2017-01-26 From The Death of Nancy Sykes 1897 to The Hobbit The Battle of the Five Armies 2014 and beyond cinematic adaptations of British literature participate in a complex and fascinating history The History of British Literature on Film 1895 2015 is the only comprehensive narration of cinema's 100 year old love affair with British literature Unlike previous studies of literature and film which tend to privilege particular authors such as Shakespeare and Jane Austen or particular texts such as Frankenstein or particular literary periods such as Medieval this volume considers the multiple functions of filmed British literature as a cinematic subject in its own right one reflecting the specific political and aesthetic priorities of different national and historical cinemas In what ways has the British literary canon authorized and influenced the history and aesthetics of film and in what ways has filmed British literature both affirmed and challenged the very idea of literary canonicity Seeking to answer these and other key questions this indispensable study shows how these adaptations emerged from and continue to shape the social artistic and commercial aspects of film history *Image of the Other and the Self in the American and British press during the Gulf Crisis and War* Ingrid Deweweire, 2024-10-25 The invasion of Kuwait by Iraqi troops on 2 August 1990 triggered a large scale military operation conducted by Washington as well as a huge media campaign This study seeks to compare the American press with the British press during the Gulf Crisis and War The main objective is to examine the journalistic discourse of

opinion as developed by newspapers belonging to the so called quality press and deconstruct the ways in which this discourse was developed This raises questions about the language adopted by editorialists and journalists and in particular about the way in which the Other enemy and allies and the Self the USA and the UK were described by the American daily papers the New York Times and the Washington Post and the British daily papers the Times and the Guardian and the Sunday newspapers the Sunday Times and the Observer during the crisis and the war The study is based on a comparative analysis of editorials opinion articles and letters to the editor published in the selected newspapers in order to highlight subjects and themes in connection with the image of the Other and the Self and show the differences and similarities in the processing of information in both the American and British press
