The Letters of Jude and Second Peter: An Introduction and Study Guide George Aichele, 2017-01-12 This Guide surveys the more important historical socio cultural theological and literary factors we must grapple with in understanding the two letters of Jude and Second Peter between which there are very strong similarities It appears that the letter of Jude was almost entirely plagiarized by the letter of Second Peter George Aichele's main approach is the method of semiotics examining signifying mechanisms in each of the texts both independently and when they are read together In both of the letters Jesus Christ is called the master with a Greek word that means slave owner and the authors of both books refer to themselves and other Christians as the slaves of Christ Furthermore both writings report situations of paranoid fear within Christian communities of their time as they picture heretical infiltrators who threaten to pervert and perhaps even destroy the community In addition to this in an adventurous excursion the letter of Jude is read intertextually with the classic science fiction horror film *Invasion of the Body Snatchers* Siegel 1956 in order to explore the dynamics of paranoia
