The Bridge Tyler Dawn Rosenquist, 2015-12-29 Revised and expanded second edition What have we settled for Are we giving Him all He deserves Everything of any importance in our lives as believers has to boil down to our relationship with our Creator and yet we have been taught to settle for something lukewarm We have relegated our walk with God to little more than a hobby when the Scriptures plainly show us that God Himself is passionately in love with His people He has revealed Himself as Father Husband King and Master and has called each of us to become child bride ambassador and servant How do we meet His level of commitment in a way that honors Him and proclaims His glory and truth to the world It starts with understanding who He is what He deserves what He expects and how it is all meant to manifest in our lives as the fulfillment of the two great commandments to love Him and our neighbors The Bridge is going to challenge everything you think you know about God the Father It is going to deepen your appreciation for Him and I pray it will revive your first love Through the revealed character of Jesus the Messiah of Israel and through the writings of the Prophets and Apostles I want to teach you how to live a life that is pleasing to God a life that He rewards in the here and now the life that He has promised to bless from Genesis through Revelation Let this book be your bridge into the fullness of Covenant life *The Bridge* Tyler Rosenquist, 2014-09-23 Revised and expanded edition being written to reflect new research What have we settled for Are we giving Him all He deserves Everything of any importance in our lives as believers has to boil down to our relationship with our Creator and yet we have been taught to settle for something lukewarm We have relegated our walk with God to little more than a hobby when the Scriptures plainly show us that God Himself is passionately in love with His people He has revealed Himself as Father Husband King and Master and has called each of us to become child bride ambassador and servant How do we meet His level of commitment in a way that honors Him and proclaims His glory and truth to the world It starts with understanding who He is what He deserves what He expects and how it is all meant to manifest in our lives as the fulfillment of the two great commandments to love Him and our neighbors The Bridge is going to challenge everything you think you know about God the Father It is going to deepen your appreciation for Him and I pray it will revive your first love Through the revealed character of Jesus the Messiah of Israel and through the writings of the Prophets and Apostles I want to teach you how to live a life that is pleasing to God a life that He rewards in the here and now the life that He has promised to bless from Genesis through Revelation Let this book be your bridge into the fullness of Covenant life King, Kingdom, Citizen Tyler Dawn Rosenquist, 2015-03-03 How well do you know the Bible For too long we have read through the Scriptures as though they were composed in a timeless vacuum but the peoples of the Ancient Near East and the First Century knew things that we are no longer aware of and saw the world in ways that are foreign to modern readers The last 100 years of archaeology have upended much of what we thought we knew about the most important Book ever composed the Bible Archaeology far from detracting from Biblical credibility has solidified it The sixty six witnesses to the ministry of the God of

Abraham Isaac and Jacob were written to specific people and were composed in specific languages in the recognized literary styles of the time That we have strayed from those ways of thinking and writing in no way invalidate the legitimacy of Scripture but it does provide us with the unique challenge of needing to go back in order to see the Scriptural accounts from the eyes of the ancients What did Covenant mean in the ancient world What were the Kingly mandates of Justice and Righteousness How do we know that the Land of Israel belongs to the sons of Abraham Isaac and Jacob forever and that the Levitical Priesthood will and must be reinstated in the future How do we know that the Messiah of Israel has already come and will return What was the real debate raging in the First Century Assemblies was it about Grace versus Law or the Identity of the incoming Gentiles King Kingdom Citizen is a book written to reintroduce God as our King the Kingdom of Heaven as a real world entity and who we are in Messiah through the eyes of those to whom this information was originally presented Let me show you what Moses the Prophets and the Apostles knew about the Kingdom of Heaven *Context for Adults* Tyler Dawn Rosenquist, 2017-07-18 Are you tired of being asked tough questions both by kids and skeptics about some of the terrible things in the Bible Are you tired of not having real answers Don't you wish you understood why Bible people sometimes did terrible things No one is satisfied with pat answers like Well I know God is good or Jesus came to change all that If we truly believe that God is good and that Jesus is the exact image of the Father then those answers won't satisfy us much less anyone else What if I told you that we can learn the answers to the hard questions by studying ancient Near Eastern law codes and sociology What if I told you that Western Christianity fundamentally misunderstands the meaning of words like righteous and has misconstrued concepts like kinship What would you say if I told you that the ancients concept of family loyalty honor shame and community was completely different than ours is today What if by understanding these ancient beliefs you could provide concrete answers instead of platitudes to people's questions And what if by doing so you could offer hope and the reassurance that God is loving and good When people ask what kind of God would allow slavery require women to marry their rapists or tell parents to stone their children wouldn't you like to clear up their misconceptions instead of sidestepping the issues Good questions deserve real answers and that's why I am here As I have explored Honor and Shame culture and ancient covenants in previous volumes this curriculum will be dedicated to the subjects of ancient law social identity and kinship relations This information is going to change forever the way you read your Bible What you learn here will equip you to answer those skeptics whose only real crime is that they are honest about some of the situations in the Bible that are or seem to be very disturbing *Context for Kids* Tyler Dawn Rosenquist, 2018-01-03 Do you know why Jesus had to come in human form and die a terrible death at the hands of the Roman Empire We all know the easy answers but are they too easy What do the life death burial and resurrection of the Son of God have to do with humankind's original mission in the Garden Was Jesus plan B or was He always the only plan What does the Law given at Sinai have to do with the ongoing story of redemption What happened to mankind when idolatry entered the picture and how did Jesus reverse that damage

Finally what exactly is this New Creation referred to by Paul in his second epistle to the Corinthians and why is it one of the central while least understood themes of Scripture New Creation studies is one of the hottest topics among scholars today one that is radically transforming our concept of what it means to be a disciple of Christ Arming kids with this knowledge will equip them to live out their faith as adults Join me as we discover exactly why Jesus had to die by crucifixion and why that death and resurrection took the polytheistic world by storm Learn God s plan for humanity as it existed from the beginning how humankind corrupted their status as image bearers and how the New Creation inaugurated on the Cross literally changed everything

Is God a Misogynist? David Wilber,2020-02-17 Secular feminists claim that Christianity is a misogynistic religion and that the Bible is bad for women Are these claims true Would women be better off if we all became atheists Is the God of the Bible portrayed as a sexist who prescribes female inferiority by divine decree What does the Bible actually teach about the value and personhood of women David Wilber s book Is God a Misogynist Understanding the Bible s Difficult Passages Concerning Women explores these questions and uncovers God s true heart toward women as revealed in the Scriptures This book addresses common objections to the Bible from modern feminism does the Bible really endorse polygamy sanction rape regard women as property etc in addition to bringing correction to unbiblical doctrines that are pushed by some segments of the Church Wilber s thoughtful and balanced approach to the Scriptures helps the reader understand how to reconcile difficult passages with the goodness of God who has revealed Himself to be a lover and protector of women

The Vital Villain Jonathan E Thomas,2025-08-15 For this reason I raised you up that I might display my power in you and that my name might be proclaimed in all the earth Romans 9 17 Thus Yahweh the God of the ancient Israelites was said to have sent a message to Pharaoh of ancient Egypt who held the nation of Israel under bondage In deliberately hardening Pharaoh s heart and turning him into the ultimate arch enemy of Moses and Aaron in the now world famous narrative of the Exodus from Egypt Yahweh created for His newly liberated people the most historic and awe inspiring of contrasts Little did Pharaoh know that in his refusal to bow the knee to Yahweh he would serve the purposes of the Divine in the most glorious and triumphant of high wire spectacles As all great story tellers know there is no compelling narrative without a great villain Thus Yahweh this most jealous of all gods set apart Pharaoh the ultimate nemesis to serve as an unwitting agent in establishing the basis of faith for billions of people for thousands of years to come And St Paul writing to the Christians in Rome over a millennia later would appeal to this principle of the Divine utilizing the vital villain reasoning that in the same way that Pharaoh was used in the establishing of a new people set apart so also St Paul s own countrymen those Pharisees who had lost the plot of the historic spiritual essence of their own faith would also serve as unwitting agents in the continued glory of the story

Context for Kids Tyler Dawn Rosenquist,2015-09-16 Can a ten week Biblical Sociology curriculum change your life and your children s future Tired of sending your kids out into the world with verses memorized and yet losing them to the faith before they finish college Let s face it Atheists unbelieving Bible hobbyists and even some

believing College Professors tell our kids that the Bible wasn't written when it says it was or for that matter by who it says it was written. The last 150 years of archaeology have proven the critics wrong but this information is not making it into the hands of the most vulnerable of believers young college students. What if as a family you could study in depth what the people of the Ancient Near East and First Century knew how they looked at the world and how they thought and interacted with each other? What if the Bible characters could become real flesh and blood people in the eyes of your children? What if they went out into the world armed with the kind of knowledge generally reserved for serious Bible scholars? What if I told you that I could do that hard research for you and then present it to your entire family in an easy to understand manner? Honor and Shame culture is how the ancient world operated but their definition of words like honor and virtue are not in line with our modern understandings. Today the entire Islamic world operates according to these ancient understandings that Biblical people simply took for granted. Have you ever wondered why the crucifixion was really so brutal? Have you ever scratched your head wondering why Jesus and the Pharisees, Scribes, Elders and Chief Priests were always arguing or why Nicodemus approached Jesus at night? Why was Saul trying to kill David and why did Joseph's brothers really hate him so much? For that matter why do Muslims all over the world today take pride in killing the most defenseless members of society? Honor and Shame culture is hidden in plain sight throughout the Bible and understanding it will change the way you read it. It will change and equip your children it will change and equip you.

Context for Kids Tyler Dawn Rosenquist, 2016-08-23 Can a ten week Ancient Near Eastern Covenants curriculum change your life and your children's future? Tired of sending your kids out into the world with verses memorized and yet losing them to the faith before they finish college? Let's face it Atheists, unbelieving Bible hobbyists and even some believing College Professors tell our kids that the Bible wasn't written when it says it was or for that matter by who it says it was written. What if they went out into the world armed with the kind of knowledge generally reserved for serious Bible scholars? What if I told you that I could do that hard research for you and then present it to your entire family in an easy to understand manner? Covenants tell us more about the promises of God and the lives we are commanded to lead than any other theme of the Bible. Beginning in the 1920's archaeologists began discovering hundreds of thousands of cuneiform tablets in places like Turkey, Israel, Egypt and Iraq documents that have opened the eyes of Biblical scholars to the real life context of the Covenants of Promise spoken of by the Apostle Paul in Ephesians 2. What are these Covenants that we have inherited through our faith in Jesus and what did those Covenants mean to Jesus' first century audience? Let's take a journey with Adam, Noah, Abraham, Moses, David and Jesus so that we can see God's promises through the eyes of the people
