Waiting For Josiah The Judges The Library Of Hebrew Bibleold Testament Studies:

Monotheism and Yahweh's Appropriation of Baal James S. Anderson, 2015-08-27 Biblical scholarship today is divided between two mutually exclusive concepts of the emergence of monotheism an early monotheistic Yahwism paradigm and a native pantheon paradigm This study identifies five main stages on Israel s journey towards monotheism Rather than deciding whether Yahweh was originally a god of the Baal type or of the El type this work shuns origins and focuses instead on the first period for which there are abundant sources the Omride era Non biblical sources depict a significantly different situation from the Baalism the Elijah cycle ascribes to King Achab The novelty of the present study is to take this paradox seriously and identify the Omride dynasty as the first stage in the rise of Yahweh as the main god of Israel Why Jerusalem later painted the Omrides as anti Yahweh idolaters is then explained as the need to distance itself from the near by sanctuary of Bethel by assuming the Omride heritage without admitting its northern Israelite origins The contribution of the Priestly document and of Deutero Isaiah during the Persian era comprise the next phase before the strict Yahwism achieved in Daniel 7 completes the emergence of biblical Yahwism as a truly monotheistic religion **Waiting for Josiah** Philippe

Guillaume, 2004-04-21 A historico critical study of the whole of the Book of Judges based on the latest developments in the history and archaeology of Israel A six stages scenario is presented for the growth of Judges from a Retterbuch in Assyrian Bethel Jerusalem under Kings Manasseh and Josiah Babylonian Mizpah and its fight with Persian Jerusalem until the insertion of the book in the Historical Books each editorial stage is set into a precise historical context Richter s Retterbuch is confirmed excepted for the date Noth s Deuteronomistic History is discarded while a new proposal for the canonization of the Former Prophets is offered **Joshua-Judges-Ruth** World Library Press, Incorporated, 1997-02 **Joshua, Judges, and Ruth** Richard Hess, Daniel I. Block, Dale W. Manor, 2016-01-12 Many today find the Old Testament a closed book The cultural issues seem insurmountable and we are easily baffled by that which seems obscure Furthermore without knowledge of the ancient culture we can easily impose our own culture on the text potentially distorting it This series invites you to enter the Old Testament with a company of guides experts that will give new insights into these cherished writings Features include Over 2000 photographs drawings maps diagrams and charts provide a visual feast that breathes fresh life into the text Passage by passage commentary presents archaeological findings historical explanations geographic insights notes on manners and customs and more Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages Written by an international team of 30 specialists all top scholars in background studies **Joshua and Judges** Abraham Cohen, 1959

□□□□□□.□□□□□□ Abraham Cohen, A. J. Rosenberg, 1982 **Joshua, Judges, Ruth** J. Gordon Harris, Cheryl Anne Brown, Michael S. Moore, 2000 The authors of this commentary take a canonical historical approach to the books of Joshua Judges and Ruth three books that are diverse yet share the common historical context of the tribal settlement of Canaan They examine Joshua Judges and Ruth as narratives with dynamic

theological messages about the dynamic relationship between God's people and the powerful God who gives land and provides deliverers for the people Copyright Libri GmbH All rights reserved The books of Joshua and Judges Aharon Kessler, 1961 Joshua, Judges, and Ruth for Everyone John Goldingay, 2011-04-04 A further release in a major new series of guides to the books of the Old Testament written in an accessible and anecdotal style The series is suitable for personal or group use and the format is also appropriate for daily study This series offers a natural progression from the successful For Everyone series of New Testament translations and commentaries Earlier titles in the series include Genesis for Everyone two volumes Exodus and Leviticus for Everyone and Numbers and Deuteronomy for Everyone **The Book of Judges with Introduction and Notes and Notes on the Hebrew Text of the Books of Kings**, 1970
