

The background of the entire image is a photograph. It shows a young, vibrant green plant with several leaves growing out of a patch of brown, textured soil. The plant is in the lower-middle ground, slightly to the left. The soil is uneven and appears to be in a field or garden. In the upper portion of the image, there is a semi-transparent white rectangular area that serves as a backdrop for the title text. The sky above the horizon is filled with soft, white clouds.

Seasons of Singleness Rhonda Armstead, 2023-12-26 I have often heard being single described as a season in life that will pass over time To imply this implies that singleness occurs as a pattern of events that come and go based on an allotted set of time a season Having been single all my adult life I began to challenge that theory First seasons are reoccurring without a known end to the recurrence Second seasons are predictive and start and end times are usually defined Third seasons only last for a specified amount of time Based on my personal experience this does not describe singleness While in my place of singleness I have found myself going through several cycles that are recurrent predictive and last for allotted periods of time These are the seasons of singleness As with climate and culture seasons I have learned that I must prepare adapt and adjust for the seasons I encounter while in my place of singleness

Auguste, 2020-09-30 Dr Auguste is an internationally known speaker and author She is the mother of two amazing young adults motivational speaker educator and author Despite the challenges presented as a single mother she was able to overcome life's challenges by acquiring all of her degrees and become a published author She is a firm believer that no matter the challenges you face you can overcome and become whatever you choose Waiting While You Wait Meagan Pinkney, 2015-03-14 Being a Christian that is single is a tough task in these times due to the tremendous amount of distractions all around From the pressures of having premarital sex being a size 0 and being alone on a Friday night while it is raining and there is nothing on the television while you are snuggled in bed alone oh sorry focus are just a few things that can affect the productiveness of a single person in the Kingdom of God In this book I will share several personal testimonies from my journey as a single woman as I have learned to wait on God When a single person yields themselves to the Holy Spirit for the use of the Kingdom you will be amazed by the testimonies you will be able to share Instead of me forgetting all the wonderful supernatural things God has done in and through my life I wanted to write all of them down to pass on to other single Christians I believe it is an extremely important task to pass on to others what God can and will do for us if we learn to wait on Him like a waiter while we are in the process of waiting for marriage The purpose of this book is to motivate singles to lean on God for everything whether big or small God loves us dearly and He wants to see us prosper Singleness is a beautiful thing and should definitely be valued as it is a blessing from God whether you are single for a season or a lifetime *The Single Christian Woman's Fight for Focus* Sherabim Allen, 2010-02 **SHARE Magazine JULY 21 - Sex, Singleness and Marriage** Angela Slack, 2021-07-01 Exploring the origins of sex singleness and marriage and what they really mean God has the copyright on these concepts so we can't redefine them without His permission They are God's creation and His idea first **Inundated** Lauren Faith Ryals, 2021-10-26 One night stands premarital cohabitation casual dating and miserable singleness all things that the culture where we live has normalized surrounding dating and

relationships Let's rewrite the narrative and learn what Jesus says about the way we date the way we perceive singleness and how we view sex and marriage Growing up in the midst of generation Z I know the information you've been given or the lack thereof I know that you may have had shame loneliness and guilt knitted into your spirit unwillingly because of the toxic purity culture that still exists However I also know that God did not intend for it to be that way I want you to feel refreshed in not only how you view relationships but also how you view Jesus in them Through raw testimonies Scripture and hard truths Inundated brings to light the deepest issues of Christian dating and exposes the truth that our culture so desperately needs
