Wake Up Lazarus On Catholic Renewal:

Wake Up, Lazarus! Pierre Hegy, 2012-01-17 Today's Catholic Church faces a major decline and a dramatic renewal is needed to facilitate positive change. In *Wake Up Lazarus* author Pierre Hegy documents the most important issues facing modern Catholicism and presents a convincing argument for renewal in the Catholic Church. *Wake Up Lazarus* examines three general factors that contribute to the spiritual decline of all mainline churches and three factors that are special to the Catholic Church. Hegy describes the inner workings of two successful parishes: one evangelical and the other Catholic. To illustrate the strategies used that contribute to vibrant and growing church communities, he also reviews various renewal plans and then presents his personal long-term plan for renewal in the Catholic Church with practical implementation suggestions included in each step. Hegy communicates that the strategy and principles of Catholic renewal must lead passive Sunday churchgoers to become active participants; it must help active participants to become involved in parish life and it must inspire all involved to become committed disciples.

Wake Up, Lazarus! Volume II Pierre Hegy, 2013-06 This book presents research in three new areas: Sunday liturgies, homilies, and pastoral concepts. First, it presents to the readers the major Latin American document *Disciples and Missionaries of Jesus Christ* which sets the course of the Church in Latin America for the next decade. Next, I present the findings about the Sunday liturgies in 100 churches: 50 in Guatemala and 50 in the U.S. The following chapter analyzes 100 Sunday homilies in comparison to lay talks/homilies by Fr. Robert Barron and evangelical sermons. In one more chapter, I discuss basic concepts for pastoral research. Chapter 6 discusses the consequences of papal centralization for church renewal. The last chapter outlines ten basic paths of renewal. What is new in this book is the research on Sunday liturgies, homilies, and pastoral concepts.

Crisis and Challenge in the Roman Catholic Church Debra Meyers, Mary Sue Barnett, 2020-07-07 This volume explores the historical, theological, sociological, and ethical dimensions of the current issues threatening the two thousand year old Roman Catholic Church. The interdisciplinary analysis contained within the volume exposes the destructive convictions and actions of the Roman Catholic clergy that has produced the current institutional crisis while suggesting options for moving forward. Documenting the cases that constitute the many crises currently surrounding Catholicism, the volume aims to provide clarity and conscience. At the

same time with a constructive vision of an ethics and religious practice rooted in integrity and transparency the authors offer a path towards holistic and holy reformation by and for Catholics *New Generations of Catholic Sisters* Mary Johnson, 2014 This volume brings together quantitative and qualitative data canonical and theological perspectives and sociological analyses to present a multilayered portrait of women religious in the United States today especially those who entered religious institutes after Vatican II **Listen to the Heartbeat of the Church, Revised Edition** Dorothy Hill Baroch, 2015-08-04 Listen to the Heartbeat of the Church resurrects the concept of episcopal visitation an age old and rarely used practice in Catholic parishes and dioceses Using information gleaned from a survey of 100 Benedictine monasteries along with a nine month experience of facilitating a parish goal setting process Baroch describes how visitation can strengthen parishes and dioceses by closing the communication gap that sometimes exists between the laity and the hierarchy Her fictional account of St Anonymous Catholic Church the heart of the book shows how a struggling congregation can accomplish its goals when parishioners the pastor and their bishop engage in shared ministry It can happen one parish one diocese at a time **Compass Theology Review** Peter Malone, 2020-07-01 An outline of the 50 years of an Australian Theological Journal Compass Review details the period from the 1960 s through to 2010 **Lay Spirituality** Pierre Hegy, 2017-10-03 Laypeople have a special mission in the church the way they have a special mission in society In popular devotions the laity created a form of spirituality that lasted for over a millennium Popular religiosity is alive in Latin America and in US ethnic subcultures Vatican II redirected lay spirituality toward the liturgy as the source and summit We will visit a parish where this ideal is put into practice but in the wider church the role of the laity came to be restricted to ecclesial ministries There are at least four new forms of spirituality in the making I will first describe a vibrant evangelical church attended by many former Catholics Next we will visit a Guatemalan parish where over a thousand parishioners meet weekly in homes and witness to the gospel in their neighborhoods The charismatic renewal is a major force of renewal in Latin America and among US Latinos Finally the spirituality of social justice is alive and well in south Chicago In sum this book will introduce you to six or seven major forms of spirituality alive today Each of them defines a special place and mission for the laity in the church **Repair My House** Michael H. Crosby, 2012 Repair my house From a crucifix in a ruined chapel St Francis heard this instruction which set him on a mission of evangelical renewal In the light of unprecedented crisis afflicting the Catholic church Michael Crosby calls us all to undertake a wholesale project of repair and renewal The crisis is visible in the sex abuse scandal and the questions it has raised about internal structures of authority and clerical culture Meanwhile a spate of new atheists has challenged traditional worldviews The percentage of those identifying themselves as former Catholics grows at an alarming rate In response Fr Crosby sees a challenge to return to the core evangelical message of Jesus Christ This message is supported not contradicted by discoveries in science and cosmology He envisions a new way of being Catholic and a set of practices that draws on the contemplative compassionate and life giving spirit of the Kingdom

that God's will may be realized on earth as it is in heaven *The Holy Spirit and Christian Mission* Roji T. George, 2019-09-10 This is a collection of articles from various church backgrounds and theological viewpoints It reaffirms the necessity and urgency of a pneumatic missiology It does not speak of God's saving mission as originating simply from God it highlights the central role of the Spirit in the effective mission of the church
