Walther Pistols John Walter, 2022-04-28 While the PP and PPK were intended for police work the Walther P 38 was produced for the Germany military all three pistols have garnered a formidable international reputation since the 1930s The innovative Walther PP Polizeipistole a double action semi automatic pistol intended for the law enforcement market became available in 1929 and went on to arm the police of several European countries in the 1930s Its smaller cousin the PPK more readily concealed for undercover work but with reduced magazine capacity was produced from 1931 Intended to replace the P 08 Luger the Walther P 38 was issued from 1940 and equipped the armed forces of Germany and other countries during and after World War II but never entirely replaced the Luger in German service All three pistols went on to have lengthy and varied service across the world after 1945 Both the PP and the PPK remain in production today while the P 38 re-emerged as the P1 and equipped West German forces from 1963 until 2004 when it was replaced by the P8 In this study noted authority John Walter assesses the origins development use and legacy of these three high profile semi automatic pistols alongside

An Uncommon Soul Jason M. Gold,2013-11-19 When asked if he would oversee the implementation of his protocol Josh never imagined that it would bring him overseas After thousands of innocent people are murdered on a picture perfect Tuesday morning retribution comes from an unlikely source The terrorist attacks on 9 11 reshaped the world For Dr Joshua Walker it was the day his old life ended and his new one began After witnessing the attack on the World Trade Center and losing two of his friends he begins studying the culture the political landscape and the evolution of the responsible terrorist organization in Afghanistan and Pakistan After publishing two highly informative scholarly papers Josh is contacted out of the blue by an old friend who works for the CIA Utilizing his intellectual and urbane skills to help repair the shattered spirit of the country Josh drafts a protocol statement that radically alters the way the United States confronts global terrorism Rather than sending in large groups of soldiers Josh believes that specially trained teams of America s fighting elite can learn Arabic and Farsi study Afghan culture and disguise themselves thereby

enabling them to infiltrate the ranks of al Qaeda Josh is recruited into the fold of covert operations international intrigue and political stratagem Driven by a fierce patriotism a sense of devotion to his fallen friends and possessing a wealth of knowledge regarding the history and methodology of al Qaeda he accepts every challenge that comes his way Even if that means going to Afghanistan to prove the effectiveness of the DOTICE Protocol hoping to ultimately face the terrorists behind the 9 11 attacks in order to bring one of history s most heinous figures to justice *Guns Illustrated, 2001* Ken Ramage,2000 **Operation** James Thomas,2009-09-08 In this author s opinion the writing of a novel has to be one of the most tedious lonely endeavors that any person can attempt and to accomplish this task is by anyone s standards an achievement Whether it is a great achievement remains to be seen but at that final moment when the last few words are typed greatness doesn t seem to matter At that point it is more a sigh of relief combined with a moment of disbelief
