Walther P99 User Manual:

The Theatrical Firearms Handbook Kevin Inouye, 2014-05-30 The Theatrical Firearms Handbook is the essential guide to navigating the many decisions that are involved in the safe and effective use of firearm props for both the stage and screen. This book establishes baseline safety protocol while empowering performers and designers to tell their story of conflict in a way that makes the most of both established convention and current tools of the trade. Within these pages are practical instruction couched in the language of theatre and film making; firearms technology and concepts approachable to dramatic artists without any dumbing down of the subject material.
