

Tusschen Spel En Ernst

Johan Huizinga

Tusschen Spel En Ernst:

Jacob Campo Weyerman and his Collection of Artists' Biographies Lyckle de Vries, 2020-02-25 Weyerman's collection of artists biographies 1729 is exceptional for three reasons. Firstly, he includes a great number of painters not mentioned elsewhere. Secondly, he does not limit his selection to good artists only; he also discusses failed painters and their abortive careers. Thirdly, he writes as an art critic who does not hesitate to pass judgments, sometimes severe, on his chosen subjects. In the process, Weyerman provides much information on the social and economic circumstances of art production. He found that a bohemian lifestyle was pernicious to a painter's career and argued that artists should live and think as merchants. In addition to analyzing Weyerman's art critical terminology and his ideas on art theory, De Vries includes translations of two full chapters along with the original Dutch. De ijdele façade Marc van Zoggel, 2018 Harry Mulisch werd zijn leven lang beticht van arrogantie. Nu deed de auteur ogenschijnlijk weinig moeite om het imago dat aan hem kleefde bij te sturen: getuige een kenmerkende uitspraak als 'Ik ben een groot schrijver, daar helpt geen moedertje lief aan'. Volgens Mulisch was dit echter zelfironie. In *De ijdele façade* onderzoekt Marc van Zoggel het mechanisme van de zelfvergroting en de dynamiek van de ironie in het oeuvre van Mulisch. Hij gaat op zoek naar de literaire traditie waarin Mulisch schrijversfiguur valt te situeren en beschrijft de ontwikkeling van de ironieopvatting van de auteur. Dit leidt tot nieuwe interpretaties van de novellen *De pupil* 1987 en *Het beeld en de klok* 1989 en de romans *De ontdekking van de hemel* 1992 en *Siegfried* 2001, vier werken waarin Mulisch hoog spel speelde door de zelfvergroting en zelfironie tot inzet van zijn scheppende werk te maken. 0

Redevoering uitgesproken ter opening van de éénnentwintigste Algemeene Vergadering van het Nederlandsch Onderwijzers-Genootschap te Zierikzee, den 12 Juli 1865 A.M. Kollewijn (Nz), 1865 **Japan at Play** Joy Hendry, Massimo Raveri, 2005-08-10 This book explores the myth so abused by the mass media that the Japanese are a grey anonymous mass of efficient obedient workers. The articles shed light on a Japan outside officialdom: a lively Japan of tumultuous and independent thought, inefficient and aesthetic pleasure loving, aggressive and wasteful, creative and anti-authoritarian. The book's truly international contributors examine the role in modern Japanese society of a range of leisure and play activities from drinking to travel, football to karaoke, tattoos to rock fandom. They explore how things which seem like play in one context are deadly serious in another and how the fun and enjoyment may be achieved in unexpected ways. They also draw attention to the importance of such activities in understanding the deeper structure and meaning pervading all areas of the society in which they take place. This book will be of great interest to students and scholars of Japanese Studies, Sociology, Anthropology and Cultural Studies.
