Michael J. O'Loughlin, 2015-09-08 Boston Globe journalist and Catholic commentator Michael O'Loughlin opens a wonderful window into the heart and revolutionary mission of Pope Francis by examining his extensive and revelatory use of social media published to coincide with the pontiff's visit to the United States in September 2015. Michael O'Loughlin uses Pope Francis's almost daily tweets to his 21 million followers to explain why this pope has captured the world's imagination and to explore his strategy and vision for the Catholic Church. Grouped by the Pope's most pressing concerns: forgiveness, mercy, injustice, poverty, war, joy, the environment, and more. The Tweetable Pope uses Francis's pithy 140-character or fewer missives as a prism to view the biographical, historical, and spiritual context of his messages and how each is part of a larger vision. O'Loughlin contends that these seemingly simple communications provide a direct line to the Pope's heart, illuminating a peaceful, loving, and courageous visionary committed to restoring the church to the original Christian tenets of its founder, Jesus Christ: love, mercy, grace, and compassion, and reshaping it as a force for change to help the most needy. A thoughtful and enlightening examination of how the pope is using this exciting and fascinating new medium to communicate directly to his flock. The Tweetable Pope is an inspiring and moving testimony of how we too can be more centered on what matters most to God.

Tweetable Nietzsche C. Ivan Spencer, 2016-11-01 Friedrich Nietzsche's thoughts in 140 characters or less. Tweetable Nietzsche introduces and analyzes the worldview of Friedrich Nietzsche. Nietzsche's tweets, 140 characters or less, provide readers a distilled essence of every major aspect of his worldview. Each tweet illustrates some aspect of his worldview contributing toward a full-orbed understanding of Nietzsche's thought. Friedrich Nietzsche radically confronted Western culture, morality, and social mores until his death in 1900. Occupying a first-rank position as a thinker, his thought later inspired numerous movements that weave the tapestries of contemporary culture: existentialism, theology, nihilistic culture, Nazism, twentieth-century film and art, atheism, ethical egoism, deconstruction, the hermeneutics of suspicion, and the postmodern age. Nietzsche's incalculable sway on our culture persists to this day. Even his acerbic criticism of Christianity has affected the religion. But many people remain unaware of the pervasive attitudes Nietzsche disseminated; attitudes they echo. His stark prophecy that God is dead and we killed him thrives in this accelerating secular age where postmodernists lionized him as a prophetic voice of a new era.

Leadership Mosaic Daniel Montgomery, Jared Kennedy, 2016-10-13 There s a leadership crisis in the church Every leadership model claims to have all the answers to the challenges of leadership Each perspective emphasizes certain qualities and we search desperately for answers in the absence of clear direction But there s no simple leadership formula that meets every need we have in life and ministry Challenging the conventional wisdom about what makes for a good leader Daniel Montgomery calls us to a countercultural perspective on leadership rooted in our Creator He presents a new framework for leadership not just a beckoning to further pragmatism relentless productivity or a reactionary cultural fad He helps us see leadership as a mosaic of five characteristics conviction creativity courage collaboration and contemplation reflective of the very image of the triune God Armed with this perspective we will be able to see strive after and celebrate the great and complex vision of leadership God has called us to for the flourishing of our homes churches and workplaces

A Leader's Destiny Elias Aboujaoude, 2024-05-21 A psychiatrist puts leadership on the couch with a provocative exploration of its crucial often ignored psychological and personal character foundations Elias Aboujaoude s distinctive exploration of leadership explains how our cultlike obsession with leadership gives narcissists and sociopaths an edge and results in leadership failure everywhere we look and how resisting the imperative to rise at all costs leaves many with an inferiority complex His takedown of the leadership industrial complex pokes a very sharp elbow into an industry seemingly united in a modern form of alchemy to create leadership gold a waste of time and money Aboujaoude vividly illustrates since leaders emerge from a unique combination of personal psychological and situational factors that cannot be easily controlled or manipulated no matter how gifted the executive coach This bracing take on a classic subject provides new insight into the way psychology aligns with the requirements of effective and happy leadership The result is to empower us to understand ourselves and step up if we have what it takes to lead or find equally rewarding often superior ways to achieve fulfillment if we don t

Immeasurable Skye Jethani,2017-10-03 CHRISTIANITY TODAY S PASTORAL CHURCH LEADERSHIP BOOK OF THE YEAR 2017 In my first seminary class we were asked to introduce ourselves and say why we enrolled I ll never forget what one student said My denomination wants me to have an M Div but once they see I can grow a big church I don t think they ll make me finish the program The priorities of this future pastor were startling but he s not alone in them In the years since that class author and minister Skye Jethani has seen more and more pastors swallowed by the celebrity syndrome Not long ago ministers were among the most trusted and admired people in our culture But not anymore A 2013 study from Gallop revealed that Americans admiration for clergy has reached an all time low That taken with reduced trust of institutional religion overall makes it easy to see why ministers feel insecure about their calling In response to this trend some pastors have looked to emulate those who are praised by the culture business leaders entertainers and social activists This has led to a new understanding of what a minister should be We ve turned away from viewing our pastors as shepherds and now expect them to be celebrities Immeasurable will help ministers recognize the cultural forces shaping their view of the calling and then reimagine what faithful church leaders can look like in the twenty first century Through short essays and

reflections on the pastor's soul and skills this book will help prospective pastors explore their calling to ministry and it will help veteran pastors reframe their vision for the work. Drawing on cultural dynamics, personal stories and his own experience working in a church and with church leaders, Skye Jethani will address matters like ambition, anger, community, consumerism, fame, health, justice, platform, preaching, rest, simplicity, success, vision and more. There are endless resources to help pastors do the practical work of ministry but there are far fewer that speak to the pastor's soul and spirit. Immeasurable provides affirmation and encouragement for church leaders faithfully serving God. It commends the true work of ministry: shepherding, teaching, encouraging while redefining what we mean by success in ministry. It's a book church leaders can return to again and again for insight and inspiration. [Summary of Gary Hamel & Michele Zanini's Humanocracy](#) Everest

The problem is that most organizations are inherently dogmatic and lacking in courage, creativity and passion. We've become inured to this reality because every organization is diffident and dogmatic. 2. Our organizations are inertial, incremental and uninspiring. They are the core incompetencies of the corporation and they're so pervasive that we can be forgiven for assuming they're irremediable. But human beings are resilient, inventive and exuberant. 3. When we regard a problem as intractable, we conspire to perpetuate it. We must not flinch or look away. We must confront what we have long known: our organizations are incapable of solving the problems they were created to solve. 4. The most important question for any organization is this: Are we changing as fast as the world around us? For most organizations, the answer is no. We are change addicts and we have an insatiable appetite for the new. [The Tao of Twitter, Revised and Expanded New Edition: Changing Your Life and Business](#) 140 Characters at a Time.
