Hope Runs Claire Diaz-Ortiz,Samuel Ikua Gachagua,2014-04-15 Sammy Ikua Gachagua had lost his father to illness his mother to abandonment and his home to poverty By age ten he was living in a shack with seven other children and very little food He entered an orphanage seeing it as a miracle with three meals a day a bed to sleep in and clothes on his back When Claire Diaz Ortiz arrived in Kenya at the end of an around the world journey she decided to stay the night climb Mt Kenya then head back home She entered an orphanage seeing it as little more than a free place to spend the night before her mountain trek God had other plans Hope Runs is the emotional story of an American tourist a Kenyan orphan and the day that would change the course of both of their lives forever It s about what it means to live in the now when the world is falling down around you It s about what it means to hope for the things you cannot see Most of all it s about how God can change your life in the blink of an eye

Digital Media and Democratic Futures Michael X. Delli Carpini,2019-04-12 The revolution in digital communications has altered the relationship between citizens and political elites with important implications for democracy As new information ecosystems have evolved as unforeseen examples of their positive and negative consequences have emerged and as theorizing data and research methods have expanded and improved the central question has shifted from if the digital information environment is good or bad for democratic politics to how and in what contexts particular attributes of this environment are having an influence It is only through the careful analysis of specific cases that we can begin to build a more comprehensive and nuanced understanding of the role of digital media in democratic theory and practice The essays in Digital Media and Democratic Futures focus on a variety of information and communication technologies politically relevant actors substantive issues and digital political practices doing so from distinct theoretical perspectives and methodological approaches Individually each of these case studies provides deep insights into the complex and context dependent

relationship between media and democracy Collectively they show that there is no single outcome for democracy in the digital age only a range of possible futures Contributors Rena Bivens Michael X Delli Carpini Jennifer Earl Thomas Elliott Deen Freelon Kelly Gates Philip N Howard Daniel Kreiss Ting Luo Helen Nissenbaum Beth Simone Noveck Jennifer Pan Lisa Poggiali Daniela Stockmann
