Ufos From Behind The Iron Curtain Top Secret Soviet Archives:

Religious Delusions, American Style Blair Alan Gadsby, 2020-02-21 Americans would be shocked to understand just how their religious beliefs have been used against them in the political elites efforts to engineer society and public policy In this historical overview of key moments in American religious history Gadsby demonstrates that what we are commonly taught in our education systems mass media and the political world about religions role in any number of events is anything but In the spirit of Lies My Teacher Told Me Religious Delusions American Style discusses eight areas in American history ranging from turn of the nineteenth century eugenics and the Scopes Monkey Trial to the mind control program known as Jonestown to the implausible two planes three buildings straight down operation called 9 11 we have been deceived in a big way about what has been done in the name of religion

The Soviet UFO Files Paul Stonehill, 2004 Reveals the amazing secrets of the Russian X Files Reports of KGB officials Cosmonauts and pilots eyewitness accounts and top secret documents of the secrecy obsessed Soviet military are all referred to by the author to prove that despite their public denials the Soviet authorities treated the evidence of the existence of UFOs and of alien visitations with the utmost seriousness Six chapters provide comprehensive details of UFO sightings and related unexplained phenomena in the former USSR and in Tsarist Russia Top secret military documents are referred to providing hard evidence of the Soviet authorities belief in and fear of the possibility of alien invasion 150 color and b W photos and illustrations some published here for the first time

[The UFO Files](#) David Clarke, 2013-03-30 What does all this stuff about flying saucers amount to What can it mean What is the truth Winston Churchill prime minister s personal minute 28th July 1952 The UFO Files tells the story of over 100 years of UFO sightings drawing on formerly secret government documents at the National Archives in London Alongside extraordinary reports by ordinary people it reveals details of official interest and investigations stretching back more than 80 years In this remarkable book fully updated for this second edition David Clarke reveals an array of startling stories from possible UFO reports hidden among Met Office investigations of aerial phenomena in the 1920s to the conclusions of Project Condign the secret British Intelligence UFO study completed in 2000 As well as covering Roswell and Britain s own Rendlesham Forest mystery Clarke raids the records for dramatic stories of abductions and close encounters ghost aircraft and crop circles and UFO reports by both civilian aircrew and military personnel Dramatic witness statements and interviews combine with rarely seen photographs drawings and newly available documents to offer a unique guide to one of our most intriguing mysteries

UFO Garrett M. Graff, 2024-11-12 One of the rare books on the topic that manages to be both entertaining and factually grounded The Wall Street Journal From the bestselling author of Raven Rock The Only Plane in the Sky and Watergate finalist for the Pulitzer Prize in history comes the first comprehensive and eye opening exploration of our government s decades long quest to solve one of humanity s greatest mysteries Are we alone in the universe For as long as we have looked to the skies the question of whether life on earth is the only life to exist has been at the core of the human experience driving

scientific debate and discovery shaping spiritual belief and prompting existential thought across borders and generations It s one of our culture s favorite conversations and yet the idea of extraterrestrial intelligence has been largely banished to the realm of fantasy and conspiracy Now for the first time the full story of our national obsession with UFOs and the covert search by scientists the United States military and the CIA for proof of alien life is told by bestselling author and Pulitzer Prize finalist Garrett M Graff in a deeply reported and researched history It begins in 1947 when two headline making sightings of strange flying objects prompt the US Air Force s newly formed Department of Defense to create a series of secret programs to determine how unidentified phenomena may pose a threat to national security Over the next half century as the atomic age gives way to the space race and the Cold War the mission continues bringing together an unexpected group of astronomers military officials civilian contactees and true believers who bring us closer then further then closer again to answering one of our most enduring questions What exactly is out there Drawing from original archival research declassified documents and interviews with senior intelligence and military officials Graff brings readers a story that s Loads of fun a fascinating deep dive down the rabbit hole Publishers Weekly
