Waiting For Me One Woman's Relentless Desire For A Child:

Waiting for Me Jodie Peyton, 2002-11 My Mom Was my Dad is not just another book on parenting This book was written to help single mothers deal with raising boys Based on my life story of how I was raised in a single parent home due to the death of my father I wanted to take single mothers on a journey of what they will face as they try to raise a boy to a man I cover deep topics such as the discussion of the birds and the bees along with showing a young man how to pay bills and also about sports This book is much more than the average how to book on parenting Once I started to reminisce about my childhood my memory overflowed with incidents and events long forgotten I started to laugh and shed a few tears at the same time when I decided to write this book about my mom and my childhood Readers may do the same as they walk with me through my first hand accounts of my mom Rena Johnson's humorous and sometime confusing job of making a Man out of a Boy
