Christopher's Story Julie Telfer,2011-06-01 From beginning to end this book kept me riveted and on an emotional rollercoaster Julie brings Kanner's Autism sharply into focus with all the trials and tribulations the family have experienced Everyone will take something special away with them from this excellent and informative book

Rev Jan McDonald Mental Health Care Chaplain Description Christopher's Story was written for my son in the hope of raising awareness of Kanner's autism and severe challenging behaviour It is primarily a story of love and of a determination to remain together as a family when the only alternative offered was residential care The book details our fight to secure schooling accommodation and social services support the later issue has yet to be resolved I would truly love others to look beyond the disability and see Christopher for who he really is I hope this book goes some way towards making this a reality
