Surrender Grant William Harrison, 2003 Surrender a gift of transformation is an energetically uplifting source of nourishment for one's soul the source of all inspiration It both disturbs and nurtures without scarring It lifts the Veil of Forgetfulness when one presents themselves to its unique process of sublimation The book is not conventionally written and empowers the reader to trust ever more their inner guidance to go within and to seek truth for themselves from the Source of All That Is It is a journey of discovery It is a personal experience most surely an Invitation to Life Encased in its pages Surrender a gift of transformation procures for you the reader a note of nostalgia and a pleasantness that is heartfelt There is a knowing that you experience or a connectiveness that you feel through the transmission of light given by the primordial wisdoms intertwined in the commonality of text Words in and of themselves are meaningless unless you the reader envelope the umbrella of understanding in the plethora of images conjured up by the phraseology so eloquently labouring on each page or Chapter of Truth To assist you in this endeavour are a myriad of cosmic vibrations intertwined into thoughtful and simple mandalas posited to arrest your inquisitive mind so that Beauty reigns supreme It is from this standpoint of Beauty that one endures and trusts the process of their own Becoming Your life your soul pulsates the unabridgement needed to forest through the quagmire of recesses within your dark soul It is through foraging through these morsels that one encounters the light behind the truth that has so ravenously been shed on your behalf Surrender a gift of transformation gives you an opportunity to experience the sublime within you to know the passion that fuels the enigma that disturbs you the very reason that you now gaze upon this page What has led you here is that which you begin to engage with more consciously through the channel of Surrender a gift of transformation Open your heart and feel the essence of your soul that bequests your ephemeral focus to rise into that state of consciousness of being fully Human
