Chapter One Brother Roland, 2008-10-23 Warning It

has been noted that anyone who reads and hears everything written in this book may result in changes in their understanding finances health and anyone around them This book was not written so you can read and hear about all the miracles God did for me On the contrary this book was written solely with the purpose of what God can and will do for you The instructions written in this book are not written so you can read and hear about how God answered my prayers needs and wants The instructions written in this book are all about how God can and will answer all of your prayers needs and wants today tomorrow and forever It wasn't until I took the time to read and hear God's instructions to make all of this possible and not impossible In Mat 19:26 God's word says With God all things are possible and my life has never been the same If you are not happy with the way your life is going or something has been missing and you can't quite put your finger on it You are closer than you think Your first step is this book in your hands and only you can change all of this right now I can't do it for you If you take the time to read and hear what God has in these instructions for you your life will never be the same I Love you in the Lord always Brother Roland

Walking with God in a World Gone Busy Alan J. Bias, 2015-08 This book begins by discussing the basic problems of busyness and distractions in your life It will then further your understanding of the problem while giving you examples of my own struggles to become free and enjoy a greater relationship *Walking with God in a World Gone Busy* Next you will discover the fascinating phenomenon of perceived time vs actual time plus how the memory works relative to your ability to remember God's interactions in your life The various threads of the book will be tied together as your eyes are opened to the biggest challenge of experiencing the awesome faithfulness of God while living in the 21st century At this point the book will provide you with a road map on how to escape The Big Gray Swirl along with simple practical everyday suggestions The appendixes of the book shares scriptures about the faithfulness of God testimonies of some individuals who have been set free and my vision for the future This is not a book you just read for information or inspiration and then put on the shelf That is why I have included a Study Guide in the back After you have read through the

book once go back through it doing the Study Guide together The result will be an active change in the way you live life every day

A Thought On Generational Transfer Once your life begins to calm down with less rushing around and fewer distractions you will be ready to start writing your stories of God's faithfulness for the purpose of passing them on to your children All too often when we speak of an inheritance we are speaking of money property or material things I inherited my grandmother's bibles and books While I value my grandmother's bibles and books I don't have stories of her experiences and life lessons in her own words That would be a priceless heirloom I would own hold and pass along to my children and grandchildren I envision a day when our children will have books of their parents and grandparents stories of God's faithfulness

Walking with God Modupe Sanusi, 2019-03-09 Enoch walked with God before the flood So did Moses after the flood The bible has an endless list of men and women who walked with the LORD Jesus Christ is the best example of a man who walked with God Every single one of us have the basic birthright to walk intimately with God However there are some principles and virtues which we must align ourselves with in order to make this possible One of them is love Another is faith Another important one is humility Idolatry must be disposed of and reliance and trust upon Jesus must be exercised every day It is not an easy task but we can do all things through Christ who gives us strength In this text we will explore what we can do to maximize our opportunities to walk with God effectively This is His heart desire and this must become ours Let us make use of our time to develop intimacy with God We must only learn and believe He will provide the rest

Walking With God Sanford A. Smith, 2016-09-29 Do you truly believe God is with you 24/7 Do you rely on the Holy Spirit to guide you Do you listen when God speaks to you through his word through other people or through other means Do you allow God to fully take control in tough times without taking it back Do you do what God wants you to do How do you respond to the Lord's desire to meet with you These short narratives are true events in the life of the author They are easy to read stories that are filled with God's messages in many everyday situations While many of these stories are serious in nature there are some elements of humor sprinkled throughout them When these experiences have been shared during Sunday school classes in small groups or in one to one situations people have often attested to the benefits or assistance received from hearing these messages These short stories of God's direction and protection can be read over and over providing ministry and inspiration each time they are read The author is reminded of God's promises each time he shares these episodes As you read each true story may you sense the Lord's presence and be blessed every time you read and reread them
