Walk Through Walls Marina Abramovic, 2018-03-06 I had experienced absolute freedom I had felt that my body was without boundaries limitless that pain didn t matter that nothing mattered at all and it intoxicated me In 2010 more than 750 000 people stood in line at Marina Abramovi s MoMA retrospective for the chance to sit across from her and communicate with her nonverbally in an unprecedented durational performance that lasted more than 700 hours This celebration of nearly fifty years of groundbreaking performance art demonstrated once again that Marina Abramovi is truly a force of nature The child of Communist war hero parents under Tito s regime in postwar Yugoslavia she was raised with a relentless work ethic Even as

she was beginning to build an international artistic career Marina lived at home under her mother's abusive control strictly obeying a 10 p.m. curfew But nothing could quell her insatiable curiosity her desire to connect with people or her distinctly Balkan sense of humor all of which informs her art and her life The beating heart of Walk Through Walls is an operatic love story a twelve year collaboration with fellow performance artist Ulay much of which was spent penniless in a van traveling across Europe a relationship that began to unravel and came to a dramatic end atop the Great Wall of China Marina's story by turns moving epic and dryly funny informs an incomparable artistic career that involves pushing her body past the limits of fear pain exhaustion and danger in an uncompromising quest for emotional and spiritual transformation A remarkable work of performance in its own right Walk Through Walls is a vivid and powerful rendering of the unparalleled life of an extraordinary artist
